

Longs Peak Middle School – Completed 2011

- Classrooms will be updated to enhance learning communities with St. Vrain's 2008 Educational Specifications.
- A new language lab will be added into the school.
- Technology teaching infrastructure will be provided to enhance the educational delivery possibilities.
- Media and computer labs will be enhanced to provide students with new educational possibilities while supporting education in IB, AP, STEM, MESA and other advanced opportunities.
- Building safety will be enhanced to support learning in a safe environment.
- Interior doors will be refinished or replaced and ADA compliant hardware will be installed.
- Replace the original bathroom fixtures and remodel bathrooms for ADA compliance.
- Repair and refinish existing flooring to enhance education environments as needed.
- Upgrade all electrical services and the fire alarm systems as required.
- Repair or replace deteriorated roofing systems as required.
- Implement improved energy performance.
