EXECUTIVE SUMMARY

ADOPTED BUDGET

2024 - 2025 Fiscal Year

#### SUPERINTENDENT'S BUDGET MESSAGE

Date: May 22, 2024

TO: Board of Education and Citizens of the St. Vrain Valley School District

This St. Vrain Valley School District General Fund budget, together with the budgets for other funds for Fiscal Year 2025 (FY25), is the current expenditure plan for all funds generated through local, state and federal sources, commencing July 1, 2024 and extending through June 30, 2025. This document includes financial, budgetary, and program information that we believe will provide the user with a better understanding of the District's operations. Financial negotiations with the St. Vrain Valley Education Association (SVVEA) were successful. Therefore, the accompanying General Fund budget has been prepared showing the adjustments to compensation as agreed to with the SVVEA.

The General Fund budget appropriation for 2024-25 is \$651,328,448, which includes appropriated expenditures of \$474,232,876 and fund balance of \$177,095,572.

The following summary provides appropriated expenditures by fund, including appropriated District reserves. Additional detailed information summarized by fund, operating activity, individual school, and department, as well as other pertinent information is included in the accompanying financial budget document.

			Appropriated Expenditures		Appropriated Surplus and Fund Balance		Total ppropriations otal Resources)

Total		\$	597,011,265	\$	366,472,925	\$	963,484,190

The FY25 budgets of the St. Vrain Valley School District (SVVSD) will provide instructional and support services for a student body membership of approximately 32,500 students.

The program budgeting process is based primarily upon the Board-adopted Mission Statement, the District's Strategic Priorities and the goals set by the District's Board of Education.

All final revenues and expenditures are within current limitations established by Colorado Revised Statutes and the TABOR Amendment.

The annual budget development is a cooperative effort between the St. Vrain Valley District's Board of Education, staff, and community. We continue to appreciate the time and support provided by those contributing to the process, especially the Finance and Audit Committee. We invite further participation of anyone interested in helping provide a high quality education for our children.

Respectfully,

<signature on file>

Don Haddad, Ed.D. Superintendent of Schools

#### **APPROPRIATION RESOLUTION**

Be it resolved by the Board of Education of St. Vrain Valley School District RE-1J in Boulder, Weld, and Larimer Counties and the City and County of Broomfield that it hereby appropriates the amounts shown in the following schedule to each fund for the ensuing fiscal year beginning July 1, 2024, and extending through June 30, 2025, and adopts the budgets related thereto.

Be it further resolved that the Board authorizes the use of a portion of beginning fund balance for the funds indicated in the following schedules, the use of which will not lead to an ongoing deficit in those funds.

#### **EXECUTIVE BUDGET SUMMARY BY FUND**

While the appropriation resolution above represents the total resources available to the District, it does not reflect the current year spending plan. The following Executive Budget Summary by Fund presents a snapshot of the budgeted changes to fund balance for each fund based on the anticipated revenues and expenditures as contained within each of the individual fund budgets. Details on each fund budget can be found in the accompanying financial document.

#### **DISTRICT GOALS AND OBJECTIVES**

#### **VISION**

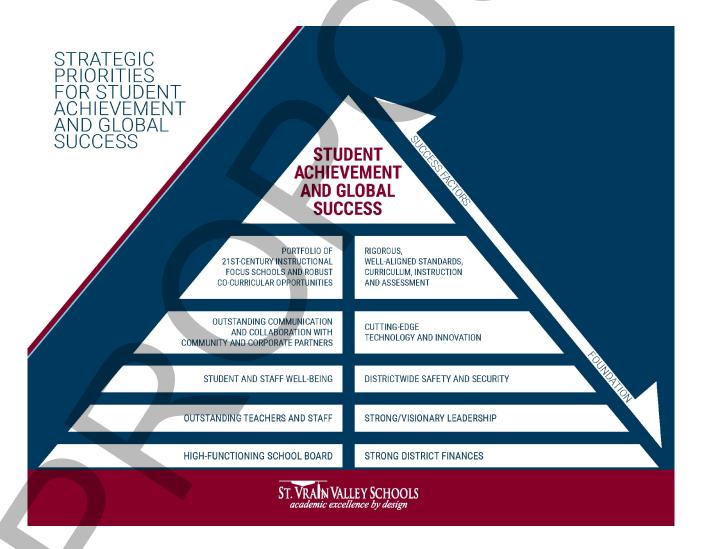

To be an exemplary school district which inspires and promotes high standards of learning and student well-being in partnership with parents, guardians, and the community.

#### **MISSION**

To educate each student in a safe learning environment so that they may develop to their highest potential and become contributing citizens.

#### STRATEGIC PRIORITIES

Our vision and mission are achieved through a focus on ten strategic priorities that support the advancement of student achievement and global success.

**District Goals and Objectives** 

#### SIGNIFICANT TRENDS, EVENTS, AND INITIATIVES

#### **Graduation Rates**

The foundation of the District's success begins the moment students enter preschool or kindergarten and is build throughout their 12-14 years in St. Vrain. Everything across our system impacts our graduation rates, which is why this is such an important indicator of the quality of our teachers, students and system. In 2023, St. Vrain Valley Schools achieved the highest on-time graduation rate in the District's history at 93.3%. This is the highest graduation rate of any district in the Denver Metro area, and the highest of any district in Colorado with more than 300 graduates.

#### High Schools Achieve College Board's Advance Placement Honor Roll Recognition

Eight high schools have been honored with the distinguished College Board AP School Honor designation, acknowledging outstanding student performance on college-level Advanced Placement exams. St. Vrain Valley Schools offers students a robust and comprehensive selection of 36 Advanced Placement courses. In 2023, the District saw 2,808 students take 4,784 AP exams. Additionally, 704 students earned the AP Scholar recognition and 63 students earned the prestigious AP Capstone Diploma.

#### Social and Emotional Learning Enhanced Community and Well-Being

St. Vrain Virtual High School has embarked on a journey to develop and implement a Social and Emotional Wellness class to provide better support to our students in their everyday lives. The curriculum has been thoughtfully designed to provide students with the understanding of their well-being and to develop essential skills for navigating daily challenges. It covers a variety of topics promoting social and emotional well-being, including understanding the adolescent brain, developing skills and habits, and interpersonal and intrapersonal skills. Guidance provided by the school's counselor, interventionist, and teachers has fostered an environment where students feel heard, understood, and valued. This personalized support has not only enhanced their academic performance, but also contributed to their overall well-being.

#### **Educators Empowered with Exploration Artificial Intelligence Program**

In today's rapidly evolving world, St. Vrain Valley Schools is committed to preparing student for success in an increasingly complex and globalized environment. To achieve this, St. Vrain has launched 'Exploration AI,' a year-long professional development program designed to equip educators with the knowledge and tools needed to integrate Artificial Intelligence (AI) technology into their teaching practices and curricula. The program aims to provide educators with an understanding of AI fundamentals, including machine learning, natural language processing, and data analytics. They receive hands-on training with various AI tools and learn how to effectively implement them in educational settings. In addition, they will discover innovative ways to use AI for formative assessments that enhance learning and explore AI's potential benefits in special education.

#### **Innovative School Systems Grant**

St. Vrain Valley Schools was selected as one of only eleven school systems nationwide selected to participate in the Innovative School Systems Grant (ISSG) program, a new initiative to support public school systems that are proposing bold ideas to transform student learning. This nine-month program supports system operators in piloting their transformative idea and advancing their readiness to drive systems change around a clearly defined issue. St. Vrain is investing the funds to expand programming for the District's Advance Global Interactive Learning Environments (AGILE) program which enables students to take courses at any high school online, taught synchronously by highly effective St. Vrain teachers.

#### SIGNIFICANT FINANCIAL AND DEMOGRAPHIC CHANGES

#### **Total Program**

Total Program Funding (TPF) is the primary funding source for the District's General Fund. The Colorado Department of Education (CDE) uses a formula to determine how much TPF is provided to each Colorado school district based on a number of factors. TPF can be expressed in Total dollars, or in terms of per pupil revenue (PPR) multiplied by the District's funded pupil count (FPC). The formula is further complicated by the application of the budget stabilization factor (BS Factor). The BS factor was implemented in fiscal year 2011 to generate budget savings for the State, and to reduce each school district's funding by a fixed percentage.

TPF is funded by three sources: Local Property Tax, Specific Ownership Tax (i.e, vehicle registrations), and the remainder is provided to St. Vrain Valley Schools through what is called "State Equalization".

The District's portion of TPF for FY25 is expected to increase by approximately \$21.9 million (6.8%) compared to FY24, comprised of the following:

- Annual cost of living adjustment (5.2%)
- Elimination of the BS Factor (1.6%)
- No significant change in projected FPC

State equalization is expected to increase from \$151.7 million to \$156.4 million alongside the increase in the local property tax share, which is discussed in the "Tax Base and Rate Trends" section in the District's Fiscal Year 2025 Adopted Budget Document.

#### **Student Enrollment**

For FY25, the District's enrollment is anticipated to decrease by 3 to 32,503. The District has seen enrollment changes ranging from -4.70% and 3.49% per year over the past five years.

#### **Funded Pupil Count**

The District's certified Fund Pupil Count (FPC) is anticipated to decrease by 11.90 to 31,095.30, a change of -0.04% compared to last year.

#### **Pandemic Relief**

The District has received more than \$59 million in various COVID-19 Pandemic relief funds over the past 3 years, nearly all of which will be spent by June 30, 2024. The District is not poised to encounter a funding cliff, however, due to strategic budgeting to ensure ongoing programs were not being sustained by these temporary resources.

#### Free/Reduced Lunch

In November of 2022, Colorado voters approved Proposition FF, funding the "Healthy School Meals for All Program." Starting in the 2023-24 school year, this supplements federal funds with state funds to allow the District to provide breakfast and lunch for all students, regardless of their free or reduced lunch qualifying status.

#### **Universal Preschool (UPK)**

In November of 2022, Colorado voters approved Proposition EE, which provides funding to allow all eligible students to receive part-time, tuition-free Preschool programming. St. Vrain's preschool program was previously funded through state funds from the Colorado Preschool Program (CPP), from Preschool Special Education funding in the Total Program Formula, from the Exceptional Child Education Act (ECEA) Special Education Categorical, and from Tuition Payments from Parents. Only Categorical funding and a small amount of Tuition revenue have continued in lieu of a new UPK allocation from the Colorado Department of Early Childhood (CDEC).

#### **Changes in Debt**

The District's long-term debt, in the form of general obligation bonds, will total \$296,775,000 as of June 30, 2024. On June 30, 2025 the total is expected to be \$281,565,000, as a result of scheduled principal payments of \$15,210,000.

In December of 2023, with sufficient resources available in its Bond Redemption Fund, administration worked with its outside municipal advisors and determined that it was advantageous and favorable to St. Vrain and its taxpayers to defease the 2033-2036 maturities of the 2016C Bonds early, on December 22, 2023. These four maturities represented \$73,175,000 in principal. On December 15, 2026, these defeased bonds will become callable and these four maturities will be redeemed without penalty. This action reduces the longevity of the outstanding 2016C debt by 4 years, reducing the total interest paid by approximately \$39.7 million, representing a savings of \$36.8 million.

In October 2022, with sufficient resources available in its Bond Redemption Fund to be able to fund the early redemption of bonds, administration determined it was advantageous and favorable to the District and its taxpayers to fully redeem and discharge the remaining \$16.4M of the series 2012 bonds early, on October 31, 2022. This reduced the longevity of the 2012 bond debt by more than 2 years, resulting in an interest savings of approximately \$847,000.

The legal debt limit of 20% of the District's 2023 assessed valuation of \$6.10 billion is \$1.2 billion. This exceeds the net amount of the District's bonds payable as of December 31, 2023 by approximately \$938.2 million.

Additional information on the District's Debt Service can be found in the "Fund 31 - Bond Redemption Fund" section in the District's Fiscal Year 2025 Adopted Budget Document.

#### PERSONNEL RESOURCE ALLOCATIONS

St. Vrain Valley Schools starts its personnel allocation process each February for the following school year. It begins with a systematic, formulaic student-based approach to ensure there is a minimum baseline of Full-Time Equivalent (FTE) personnel made available for the effective operation of each school and department. Then, using this as a starting point, school, department, and central administration teams work with Human Resources (HR) and Finance to qualitatively analyze needs as the school year approaches, and work to allocate additional resources in order to target specific areas, maximizing learning for St. Vrain students.

## ST. VRAIN VALLEY SCHOOL DISTRICT RE-1J SUMMARY OF FULL-TIME EQUIVALENT (FTE) EMPLOYEES BY FUNCTION FISCAL YEARS ENDING 2021 - 2025

#### FINANCIAL SERVICES DEPARTMENT

The budget office is part of the District's Financial Services Department, currently led by Greg Fieth, Chief Financial Officer (CFO). The focus of the department is to maximize the effective use of District assets towards improving student achievement and well-being.

The Financial Services Department is responsible for the following operations:

- Develop, implement, and monitor the District's annual budget
- Provide internal controls and safeguards of all District assets
- Maintain complete and accurate records of all financial transactions
- Prepare financial reports, including the District's Annual Comprehensive Financial Report
- Account for the receipt and disbursement of all District Funds
- Manage the District's daily cash flow and investment portfolio
- Prepare accounts payable checks and administer purchasing card program
- Manage the District's payroll functions
- Maintain controls with tax-sheltered retirement plan providers and monitor to assure compliance
- Maintain contracts with each of the District charter schools and provide support to ensure compliance with State and District requirements
- Provide training to District parent/teacher organizations

#### **BUDGET DEVELOPMENT PROCESS**

#### State of Colorado

The District's budget development timeline is guided by the State of Colorado's budget timeline and statutory requirements.

The State releases the Governor's budget proposal by November 1 which gives preliminary state budget information for the following school year. The School Finance Act, which determines state funding for school districts, is usually passed by the end of April. As part of SB23-287 Public School Finance, the act created a public school finance task force for the purpose of examining and making recommendations concerning school finance. The task force was required to submit a report to the education committee by January 31, 2024. The State passed legislation based on recommendations from this report that will affect FY26 funding. Funding is typically revised the following January after actual pupil counts and assessed valuation are finalized.

Within that context, the State requires that the District's proposed budget be presented to the Board of Education at least 30 days prior to the beginning of the fiscal year (July 1) and that the District publish a public notice within 10 days of submitting the proposed budget to the Board. A public hearing must be held after the publishing of the public notice and prior to the adoption of the budget. The budget must be adopted by the Board prior to the beginning of the fiscal year.

The State allows for districts to amend their budgets at any time prior to January 31. After January 31, a supplemental budget may be authorized only if additional funds become available to the District.

#### **Budget Goals and Priorities**

The District develops a five-year budget plan that projects the future financial viability of the District, and achievement of the District's priorities. The plan takes into account a specific set of operating assumptions, future revenue, including tax and non-tax revenue, and future increases in operating expenditures. Using this five-year outlook, the Board reviews the overview and accountability needs and works with the Superintendent to set the District focus, goals and priorities for the budget development.

#### **Discretionary (Non-personnel) Budgets**

Each school and department is allocated a non-personnel budget that is developed with the Finance Department's budget staff each February.

Funds are initially allocated to schools based on projected student enrollment numbers, and are updated mid-year once actual student counts are finalized.

The allocations to departments use the prior year budget as a starting point, and additional funds may be requested and approved. Requests for additional funds, along with justification for the requests, are submitted to Cabinet in March and approved in April in alignment with the District's goals and priorities.

#### **Personnel**

Because salaries and benefits account for 85% of the General Fund budget, the allocation of staffing resources is a critical part of the budgeting process. The process is facilitated by the use of staffing plans that are created by the Finance Department and distributed to each school and department by the Human Resources Department in early February. The staffing plans allocate the number of positions that each school and department may utilize in the upcoming year. They are completed collaboratively by Human Resources staff, central administrative staff and school/department staff. In March, the staffing plans are reconciled to the accounting software and controls are put into place to prevent hiring of staff beyond what is approved through the budgeting process.

The number of positions on each school staffing plan is determined by formulas and ratios using criteria such as projected enrollment numbers that are provided by the Planning Department, type of school (elementary, K-8, middle or high school) and risk factors such as eligibility for Title I funding and number of students that qualify for free or reduced meals. The Finance Department, Human Resources and Area Assistant Superintendents collaborate each January to finalize the criteria that is used. Additional positions are allocated to the schools by individual departments for specialized needs such as Special Education and Preschool programming. Schools may also request additional ongoing or one-year only positions to accommodate focus areas or specialized needs of the individual schools. The requests are typically submitted to the Superintendent's Cabinet in March and are approved in April based on District goals and priorities. In August and September, Human Resources works with Principals and Area Assistant Superintendents to review the staffing needs of the schools based on actual enrollment and reallocate staffing and/or request new positions at Cabinet if needed.

Department staffing plans are created by using the previous year's positions as a starting point. Additional positions funded by grants may also be added. Grant-funded positions must be reauthorized each year after verifying that funds will be available. Departments may also request additional staffing by submitting requests to Cabinet.

The District's compensation package is typically approved by the Board of Education in April or May following negotiations with the St. Vrain Valley Education Association. The compensation information is combined with the approved staffing allocations and available benefits enrollment information to establish the budget for salary and benefits. Updated insurance enrollment information is provided to the Budget office in October for inclusion in the amended budget.

#### **Budget Monitoring**

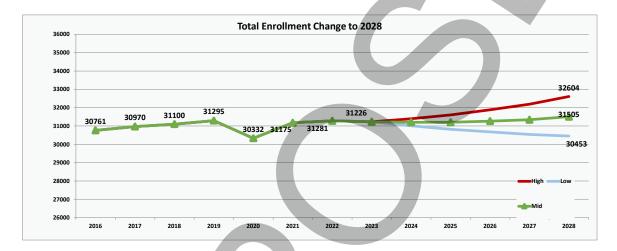

The District monitors its budget to actual activity throughout the year in multiple ways:

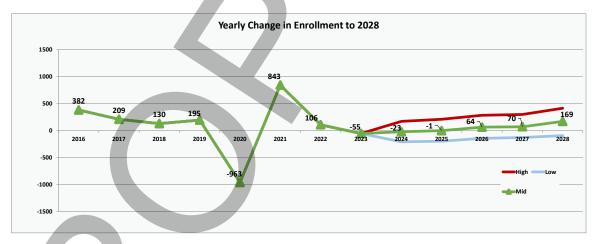

- First, the accounting and reporting team prepare and publish periodic financial reports highlighting budget to actual progress for each fund. This is done on a quarterly basis for the first half of the year, and monthly thereafter. These reports are then summarized in a dashboard format and presented to the District's Finance and Audit committee, and then to the Board of Education in a subsequent study session.
- In addition, the District's Enterprise Resource Planning (ERP) system displays budget-to-actual data for the General Fund for each budget officer to review in real time as transactions are posted.
- Finally, the District's Senior Budget and Finance Analyst does a separate analysis and provides summary data, observations, and variance analysis to the Chief Financial Officer (CFO) on a regular basis.

#### **ENROLLMENT TRENDS AND FORECAST**

#### PROPERTY TAX FUNDING

Approximately 54.4% of the District's General Fund revenue comes from local property taxes (including mill levy overrides), amounting to about \$256.6 million. Property taxes also fund the repayment of the District's general obligation debt through the Bond Redemption Fund, amounting to \$16.2 million in FY25.

The tables below shows the history of St. Vrain's property tax mill levies and net assessed values for the past 10 years. Additional information can be found on the Tax Rates and Trends pages of the Informational section in the District's Fiscal Year 2025 Adopted Budget Document.

### SUMMARY OF PROPERTY TAX LEVIES CALENDAR YEARS 2014 - 2023

## ST. VRAIN VALLEY SCHOOLS academic excellence by design

# ORGANIZATIONAL SECTION ADOPTED BUDGET 2024 - 2025 Fiscal Year

#### **DISTRICT GOVERNANCE**

The St. Vrain Valley School District RE-1J is a body corporate and a political subdivision of the State of Colorado. It was organized in 1961 for the Purpose of operating and maintaining an educational program for the school-age children residing within its boundaries.

The District is governed by an elected seven-member board. School board members represent different geographic districts, but are elected by voters in the entire District. The unpaid board members serve four-year terms and are limited to two terms.

The District, under the governance of the Board of Directors, has authority to determine its own budget, levy taxes, and issue bonded debt without approval from the State or by another government, making it fiscally independent.

#### **DISTRICT GOALS AND OBJECTIVES**

#### **VISION**

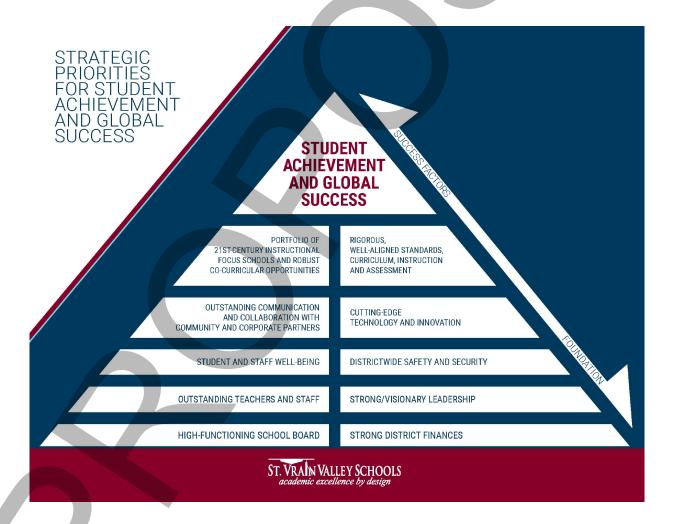

To be an exemplary school district which inspires and promotes high standards of learning and student well-being in partnership with parents, guardians, and the community.

#### **MISSION**

To educate each student in a safe learning environment so that they may develop to their highest potential and become contributing citizens.

#### STRATEGIC PRIORITIES

Our vision and mission are achieved through a focus on ten strategic priorities that support the advancement of student achievement and global success.

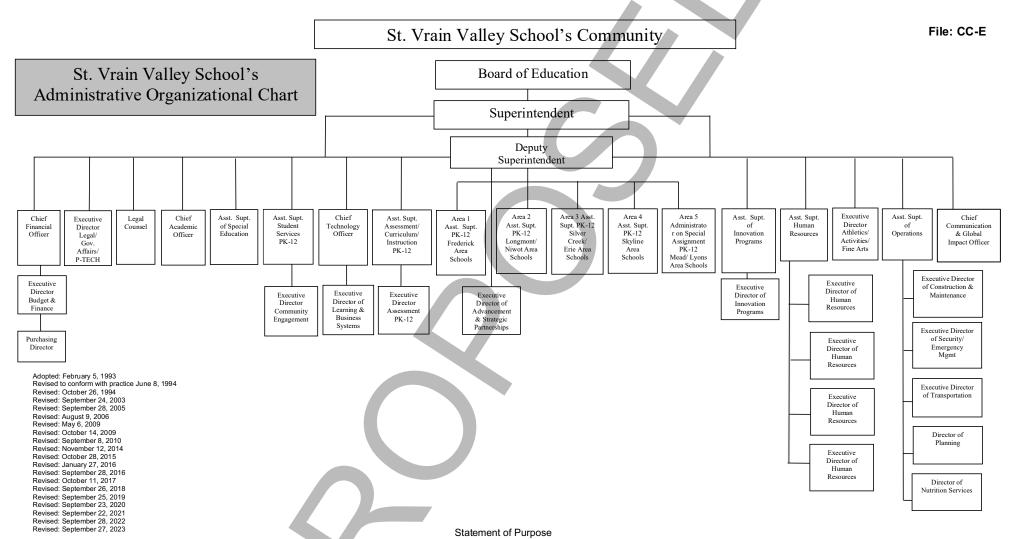

#### **COST OF GOALS**

In November of 2008 and 2012 voters of the District approved mill levy overrides, both of which provide additional funds for a variety of items as defined within the ballet questions and goal initiatives of the District. As required, accounting for the MLO funds is incorporated within the General Fund totals.

Investment Item	Estimated Budget	Focus Area
Advanced Placement Programs	\$143,000	Rigorous, Well-Aligned Standards, Curriculum, Instruction & Assessment
School Focus Allocations	\$3,380,933	Portfolio of 21 <sup>st</sup> Century Instructional Focus Schools & Robust Co-Curricular Opportunities
Operations & Maintenance	\$4,181,000	Districtwide Safety & Security
Preschool Programs	\$2,182,780	Rigorous, Well-Aligned Standards, Curriculum, Instruction & Assessment
Reduced Class Sizes	\$12,760,000	Rigorous, Well-Aligned Standards, Curriculum, Instruction & Assessment
Safety & Security	\$4,203,240	Districtwide Safety & Security
STEM Programming	\$4,324,200	Cutting-Edge Technology & Innovation
Teacher/Staff Compensation	\$27,840,000	Outstanding Teachers and Staff
Technology	\$15,150,428	Cutting-Edge Technology & Innovation
Charter School Allocations	\$7,409,085	Outstanding Communication & Collaboration with Community Partners
Total	\$81,574,666	

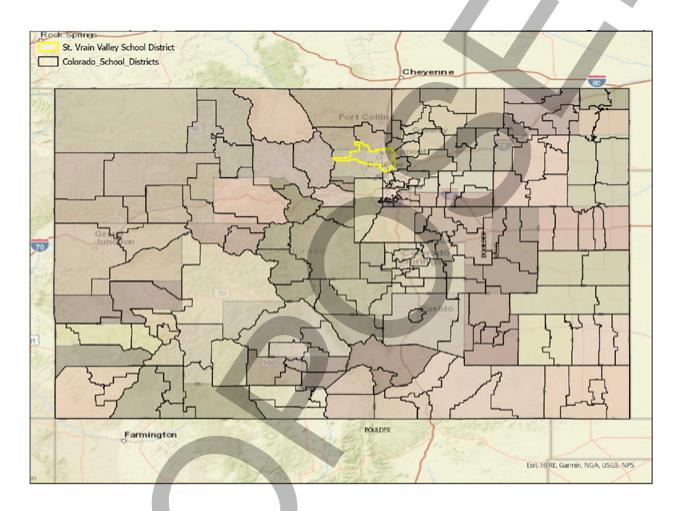

The leadership structure of the St. Vrain Valley School District represents a systems approach to student, teacher and staff achievement and well-being. This structure is designed to maximize organizational performance and optimize resources dedicated to the alignment of standards, curriculum, instruction and assessment, as well as technology, professional development, communications, and partnerships with business and industry, post-secondary institutions, parents and other stakeholders.

Organizational Chart 32

#### **DEMOGRAPHIC INFORMATION**

The St. Vrain Valley School District is located approximately 30 miles north of Denver, and is spread out over more than 400 square miles in parts of Boulder, Broomfield, Larimer, and Weld Counties.

#### **CENSUS DATA**

	Boulder	В	roomfield	Larimer	Weld

Demographic Information 34

The St. Vrain Valley School District is projected to serve 32,503 PreK-12 students in 55 schools for the 2024-25 school year. These schools include 1 preschool center, 25 elementary schools, 3 K-8 schools, 8 middle schools, 1 middle/senior high school, 7 traditional high schools, 1 alternative high school, 2 online schools, 1 homeschool enrichment school and 6 charter schools.

The District also has 3 centers that serve students in specialized programs while the students are enrolled in their neighborhood schools. These are the Career Elevation and Technology Center, the Innovation Center and Main Street School.

In addition to PreK-12 education, St. Vrain Valley School District provides many opportunities for students to obtain post-secondary education through programs such as Pathways in Technology Early College High School (P-TECH), Teacher Recruitment Education and Preparation (TREP), Accelerating Students through Concurrent Enrollment (ASCENT), other Concurrent Enrollment at area colleges and universities, AP Classes, and Industry Certifications.

St. Vrain Valley Schools Innovation Center

# **Erie High Feeder**

The Erie High feeder system covers the Town of Erie and its surrounding area, mostly in Weld County.

- Black Rock Elementary
- Erie Elementary
- · Grand View Elementary
- Highlands Elementary
- Red Hawk Elementary
- Soaring Heights PK-8
- Erie Middle
- Erie High

# Frederick High Feeder

The Frederick High feeder system covers the towns of Firestone, Frederick, and Dacono in Weld County and their surrounding areas.

- SPARK! Discovery Preschool
- Centennial Elementary
- Legacy Elementary
- Prairie Ridge Elementary
- Thunder Valley K-8
- Coal Ridge Middle
- Frederick High

# **Longmont High Feeder**

The Longmont High feeder system covers Northwest Longmont, the Town of Hygiene and areas to the north of the towns, all in Boulder County.

- Central Elementary
- Hygiene Elementary
- Mountain View Elementary
- Northridge Elementary
- Sanborn Elementary
- Longs Peak Middle
- Westview Middle
- Longmont High

#### Lyons Middle/Senior High Feeder

The Lyons Middle/Senior High feeder system covers the Town of Lyons and the surrounding area in Boulder County and extends to the north into Larimer County.

- Lyons Elementary
- Lyons Middle/Senior High

# **Mead High Feeder**

The Mead High feeder system covers the Town of Mead and the surrounding area in Weld County as well as the northeast corner of Boulder County.

- Mead Elementary
- Mead Middle
- Mead High

# **Niwot High Feeder**

The Niwot High feeder system covers south Longmont, the town of Niwot and the surrounding area primarily in Boulder County.

- Burlington Elementary
- Indian Peaks Elementary
- Niwot Elementary
- Sunset Middle
- Niwot High

# **Skyline High Feeder**

The Skyline High feeder system generally covers Eastern Longmont in Boulder County.

- Alpine Elementary
- Columbine Elementary
- Fall River Elementary
- Rocky Mountain Elementary
- Timberline PK-8 School
- Trail Ridge Middle
- · Skyline High

# **Apex Homeschool Program**

The Apex Homeschool Program provides classes to supplement and support the education that students receive from their parents at home. The program is located in Longmont and serves K-12 students from throughout the District.

# Silver Creek High Feeder

The Silver Creek High feeder system covers southwest Longmont, and the area to the southwest of town in Boulder County.

- Blue Mountain Elementary
- Eagle Crest Elementary
- Longmont Estates Elementary
- Altona Middle
- Silver Creek High

# **Charter Schools**

Charter schools are semi-autonomous schools operating under the oversite of the District.

- Aspen Ridge Preparatory School
- Carbon Valley Academy
- Firestone Charter Academy
- Flagstaff Academy
- St. Vrain Community Montessori School
- Twin Peaks Classical Academy

# **New Meridian High School**

New Meridian High School, an alternative High School that serves high school students from throughout the District, is located at our Global Acceleration Campus. New Meridian is a small structured school that allows students to earn credits on a quarterly basis and provides additional opportunities for developing the social skills needed to positively contribute to the community.

### St. Vrain Virtual High School

St. Vrain Virtual High School serves 9-12 graders throughout the District. The program allows students the flexibility of completing their coursework at the time of their choice while having the benefit of local teachers in classrooms located at the Global Acceleration Campus to provide additional support and assistance.

#### St. Vrain LaunchED Virtual Academy

LaunchED was established in 2020 as an online instructional program to provide an option for students with health concerns or other special circumstances that prevented them from attending school in person. In FY22, LaunchED became a fully-accredited online school available to all District students from grades K-12. In FY24, the school became a multi-district school, allowing students from across the state to enroll. The online classes are taught by St. Vrain Valley School District staff, utilizing District curriculum and incorporating a variety of high-quality academic and curricular resources. LaunchED classes align with Colorado Academic Standards and District expectations for each grade level K-12.

#### **Innovation Center**

The Innovation Center (IC) is in Longmont and serves high school students from throughout the District in programs that provide experiential opportunities that focus on designing and engineering technology solutions for industry and community partners. The Innovation Center was created to provide professional STEM experiences through industry partnerships and paid work for students. In addition to multiple programs for obtaining post secondary credit, IC offers the following programs and certifications:

- Aeronautics
- Bioscience
- Cybersecurity
- Entrepreneurship
- IC Studios
- Information & Communications Technology
- Pathways to Teaching (P-TEACH)
- Robotics
- STEM Education
- · Virtual & Digital Design
- \* Apple Certification Device Specific
- \* Certified Entry-Level Python Programmer
- \* CompTIA A+ Software Certification
- \* CompTIA A+ Hardware Certification
- \* TriCaster Operator Certification
- \* UAS Pilot Certification

#### **Main Street School**

Main Street School in Longmont provides Special Education services to K-12 students from schools throughout the District in a collaborative learning community dedicated to fostering self-advocacy and independence. Enrollment and placement at Main Street School is done through the special education Individualized Education Program (IEP) process.

Life Skills Alternative Cooperative Education
Services at Main Street School provides postsecondary transition services for students
18-21 years of age who have completed their
high school credits and have socially graduated.
The program focuses on building independent
living skills, career/employment skills, community
based education and functional academics.

# Career Elevation and Technology Center

The Career Elevation and Technology Center (CETC) is one of eight Career and Technical Education centers in the state of Colorado. It is located in Longmont at our Global Acceleration Campus, but serves high schools students from throughout the District. CETC offers classes that provide real-world, hands-on experiences in pathways that are high-wage, high-growth, high-demand and with a post-secondary trajectory. CETC offers the following programs.

- \* Advanced Manufacturing
- \* Agricultural Sciences
- \* Automotive Technology
- \* Health Sciences
- \* Interactive Media Technology
- \* Internships
- \* Pre-Law
- Prostart and Culinary Arts
- Welding and Fabrication Technology

District Schools and Programs 41

#### **BUDGET INFORMATION**

The Superintendent's Budget is the District's annual operating budget. The following information is intended to provide a general understanding of the budget process and resulting budget document.

#### **Fund Accounting**

The District uses funds to report its financial position and results of operations. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions related to certain government functions or activities. A fund is a separate accounting entity with a balanced set of accounts. Funds are classified into three categories: governmental, proprietary, and fiduciary. Each category, in turn, is divided into separate "fund types".

Governmental funds are used to account for the District's general activities, including the collection and disbursement of earmarked funds (special revenue funds), the acquisition or construction of major capital facilities (capital projects funds), and the servicing of long-term debt (debt service funds). The District's major governmental funds are the General Fund (including the CPP and Risk Management Funds as subfunds), Bond Redemption Fund, and the Building Fund:

General Fund – The General Fund is the District's general operating fund and is used to account for all financial transactions except those required to be accounted for in another fund. Major revenue sources include local property taxes, specific ownership taxes, and State of Colorado equalization funding, as determined by the School Finance Act of 1994, as amended. Expenditures include all costs associated with the daily operation of the schools, except for programs funded by grants from federal and state governments, school construction, certain capital outlay expenditures, debt service, food service operations, extracurricular athletic and other pupil activities, and insurance transactions.

Colorado Preschool Program Fund — Prior to FY23, monies allocated to this fund from the General Fund were used to pay the costs of providing preschool services directly to qualified at-risk children enrolled in the Colorado Preschool Program (CPP). This fund will not be utilized beginning in FY25, as the CPP program has been replaced by Colorado's new Universal Preschool Program, which is categorized as state revenue in the General Fund.

Risk Management Fund – This fund is also a sub-fund of the General Fund. Monies allocated to this fund from the General Fund are used to account for the payment of loss or damage to the property of the District, workers' compensation, property and liability claims, insurance premiums, and the payment of related administration expenses.

Debt Service Fund – The District has one debt service fund, the Bond Redemption Fund. This fund is used to account for the accumulation of resources for, and the payment of, long-term debt principal, interest, and related costs. The fund's primary revenue source is local property taxes levied specifically for debt service.

Capital Projects Funds – The District has two capital projects funds, the Building Fund and the Capital Reserve Capital Projects Fund. The *Building Fund* accounts for the proceeds of bond sales and expenditures for capital outlay for land, buildings, improvements of grounds, construction of buildings, additions or remodeling of buildings or initial, additional and replacement equipment. The *Capital Reserve Capital Projects Fund* is used to account for revenue allocations from the General Fund and other revenues allocated to or earned in this fund, and the expenditures for the ongoing capital needs of the District, such as acquisition of land, building additions and improvements, and major equipment purchases.

The other "non-major" governmental funds of the District are Special Revenue Funds which account for earmarked revenue sources, grants, charges for services and tuition. The "non-major" Special Revenue Funds consist of the Nutrition Services Fund, Governmental Designated-Purpose Grants Fund, Community Education Fund, Fair Contributions Fund, and Student Activities Special Revenue Fund.

Budget Information 42

Proprietary Funds focus on the determination of the changes in net assets, financial position, and cash flows and are classified as either enterprise or internal service. The District's only internal service fund is the *Self Insurance Fund* which accounts for the financial transactions related to the District's self-funded dental and medical insurance plans.

Fiduciary Funds – Focus on net assets and changes in net assets. The fiduciary fund category is split into four classifications: pension trust funds, investment trust funds, private-purpose trust funds, and agency funds. Trust funds are used to account for assets held by the District under a trust agreement for individuals, private organizations, or other governments and are therefore not available to support the District's own programs. Agency funds are custodial in nature (assets equal liabilities) and do not involve measurement of results of operations. The District does not have any fiduciary funds.

#### **Classification of Revenue and Expenditures**

Budget statement presentation classifies revenues into five primary categories:

- <u>Local Revenues</u> Resources derived from within the immediate vicinity, typically the community within the District boundaries. This category primarily comprises property taxes, investment income, and charges for services.
- <u>State Revenues</u> Resources allocated to the District from the State of Colorado's budget, the largest of which is the state equalization payment via the School Finance Act. Other sources include state categorical payments.
- <u>Federal Revenues</u> Resources derived from the US federal budget, though typically administered by the Colorado
  Department of Education. Federal revenues include COVID relief funds, Medicaid reimbursements, federal bond
  rebates, and a variety of federal grants.
- <u>Revenue Allocations</u> Reallocation of certain revenues from the general fund to other funds per board policy or state statute. This includes allocations to the Risk Management Fund, the Capital Reserve Fund, and the Colorado Preschool Program Fund through FY23. In the General Fund, revenue allocations are presented as negative numbers, reflecting a reduction of revenue.
- Other Sources Other revenue sources typically reflect accounting entries to record internal funds transfers or the inception of lease purchase and other software agreements.

Budget statement presentation may classify expenditures in one of two ways:

- <u>By Object</u> Classifications represent the nature or type of expenditure, such as Salaries, Benefits, Services, Supplies,
   Capital, and Other.
- <u>By Activity</u> Classifications represent the subject, program, or activity for which the expenditure was made. Examples include Direct Instruction, Classroom and Building Support, and Central Administration.

Budget Information 43

#### **Governing Regulations and Policies**

Public school budgeting is regulated and controlled by statutes and by requirements of the State Board of Education that prescribe the form of district budgets in order to ensure uniformity throughout the state. Key statutes are outlined below.

- <u>22-40-102 Tax Revenues</u> Board of Education must certify to Board of County Commissioners the separate amounts necessary to be raised by taxes for the school district's general, bond redemption, transportation and special building funds.
- <u>22-44-105 Mandatory Contents</u> The budget shall be presented in the standard budget report format established by the state Board of Education and be consistent from year to year.
- <u>22-44-106 Contingency Reserve Operating Reserve</u> Board of Education may provide for an operating reserve in the general fund, which shall not exceed fifteen percent of the amount budgeted to the general fund for the current fiscal year.
- <u>22-44-107 Appropriation Resolution</u> Board of Education of each school district shall adopt an appropriation resolution at the time it adopts the budget.
- <u>22-44-108 Budget Preparation</u> Board of Education shall each year cause to be prepared a proposed budget for the ensuing fiscal year, which shall be submitted at least thirty days prior to the beginning of the next fiscal year.
- <u>22-44-110 Budget Consideration Adoption</u> Any person paying school taxes in the school district is entitled to attend the meeting of the Board of Education at which the proposed budget for the district will be considered. At such meeting, the board shall review the functions and objects of the proposed budget.
- 22-44-304 Financial Reporting Within 60 days of adoption, the adopted budget shall be placed on file in the
  district's financial services department and posted on the district website in accordance with the *Public School Financial Transparency Act*.
- <u>29-1-103 Lease-Purchase Agreement Disclosures</u> Shall include the total amount to be expended for payment obligations under all lease-purse agreements involving real property, maximum payment liability involving real property over the entire terms of agreement, total amount to be expended other than real property and maximum payment liability other than those involving real property over the entire terms of agreements.

# **Board of Education (BOE) Policies**

In addition to the state requirements, the SVVSD Board of Education Policies require the following in Section DB:

- The budget shall annually include a per pupil dollar amount, determined by the Board of Education, to be allocated for instructional supplies and materials.
- The Board of Education assigns to the superintendent or designee the responsibility of accumulating and maintaining a general fund operating reserve in excess of the emergency reserve to serve as a "rainy day" fund and will be used only for unexpected loss of revenue or an extraordinary expenditure. If any part of the contingency reserve is used in the fiscal year to cover unexpected loss of revenue or an extraordinary expenditure, funds will be reallocated to the restore the year-end balance before any other budget allocations in the subsequent fiscal year.
- The budget shall annually include a per pupil dollar amount, determined by the Board of Education, to be allocated to the Capital Reserve and Risk Management Funds.
- In circumstances where an expenditure is made for a purpose for which amounts are available in multiple fund balance classifications, the order in which resources will be expended is as follows: restricted fund balance, followed by committed fund balance, assigned fund balance, and lastly unassigned fund balance.

Budget Information 44

#### **BUDGET DEVELOPMENT PROCESS**

#### **State of Colorado**

The District's budget development timeline is guided by the State of Colorado's budget timeline and statutory requirements.

The State releases the Governor's budget proposal by November 1 which gives preliminary state budget information for the following school year. The School Finance Act, which determines state funding for school districts, is usually passed by the end of April. As part of SB23-287 Public School Finance, the act created a public school finance task force for the purpose of examining and making recommendations concerning school finance. The task force was required to submit a report to the education committee by January 31, 2024. The State passed legislation based on recommendations from this report that will affect FY26 funding. Funding is typically revised the following January after actual pupil counts and assessed valuation are finalized.

Within that context, the State requires that the district's proposed budget be presented to the Board of Education at least 30 days prior to the beginning of the fiscal year (July 1) and that the District publish a public notice within 10 days of submitting the proposed budget to the Board. A public hearing must be held after the publishing of the public notice and prior to the adoption of the budget. The budget must be adopted by the Board prior to the beginning of the fiscal year.

The State allows for districts to amend their budgets at any time prior to January 31. After January 31, a supplemental budget may be authorized only if additional funds become available to the District.

### **Budget Goals and Priorities**

The District develops a five-year budget plan that projects the future financial viability of the District, and achievement of the District's priorities. The plan takes into account a specific set of operating assumptions, future revenue, including tax and non-tax revenue, and future increases in operating expenditures. Using this five-year outlook, the Board reviews the overview and accountability needs and works with the Superintendent to set the District focus, goals and priorities for the budget development.

# **General Fund Discretionary (Non-personnel) Budgets**

Each school and department is allocated a non-personnel budget that is developed with the Finance Department's budget staff each February.

Funds are initially allocated to schools based on projected student enrollment numbers, and are updated mid-year once actual student counts are finalized.

The allocations to departments use the prior year budget as a starting point, and additional funds may be requested and approved. Requests for additional funds, along with justification for the requests, are submitted to Cabinet in March and approved in alignment with the District's goals and priorities.

#### **Personnel**

Because salaries and benefits account for 85% of the General Fund budget, the allocation of staffing resources is a critical part of the budgeting process. The process is facilitated by the use of staffing plans that are created by the Finance Department and distributed to each school and department by the Human Resources Department in early February. The staffing plans allocate the number of positions that each school and department may utilize in the upcoming year. They are completed collaboratively by HR staff, central administrative staff and school/department staff. In March, the staffing plans are reconciled to the accounting software and controls are put into place to prevent hiring of staff beyond what is approved through the budgeting process.

The number of positions on each school staffing plan is determined by formulas and ratios using criteria such as projected enrollment numbers that are provided by the Planning Department, type of school (elementary, K-8, middle or high school) and risk factors such as eligibility for Title I funding and number of students that qualify for free or reduced meals. The Finance Department, Human Resources and Area Assistant Superintendents collaborate each January to finalize the criteria that is used. Additional positions are allocated to the schools by individual departments for specialized needs such as Special Education and Preschool programming. Schools may also request additional ongoing or one-year only positions to accommodate focus areas or specialized needs of the individual schools. The requests are typically submitted to the Superintendent's Cabinet in March and are approved based on District goals and priorities. In August and September, Human Resources works with Principals and Area Assistant Superintendents to review the staffing needs of the schools based on actual enrollment and reallocate staffing and/or request new positions at Cabinet if needed.

Department staffing plans are created by using the previous year's positions as a starting point. Additional positions funded by grants may also be added. Grant-funded positions must be reauthorized each year after verifying that funds will be available. Departments may also request additional staffing by submitting requests to Cabinet.

The District's compensation package is typically approved by the Board of Education in April following negotiations with the St. Vrain Valley Education Association. The compensation information is combined with the approved staffing allocations and available benefits enrollment information to establish the budget for salary and benefits. Updated insurance enrollment information is provided to the Budget Office in October for inclusion in the amended budget.

## **Capital Improvement Planning**

The District's long range capital planning is developed through the process of reacting to the needs identified and prioritized through asset performance assessments, life cycle analysis, facility modification request, educational programmatic needs, and unforeseen asset repairs or replacements. Capital Improvement planning is typically broken into two categories: Capital Renewal and Capital Improvement.

Capital Renewal would be categorized as evaluating building systems and assets based on a life cycle analysis. This analysis considers industry standard life expectancy, system performance determined by the level of effort to maintain the expected operation, ability to service equipment in the future, etc., for which funding could be appropriated for years in advance.

Capital Improvement projects are borne from more specific projects that are created out of the short term need more than the Capital Renewal projects. These are created through facility modification requests, education programmatic needs, and unforeseen asset repairs or replacements. Schools and departments submit project and equipment funding requests. Requests are evaluated and recommended by the Capital Reserve Committee and submitted to the Board of Education for final approval.

#### **Budget Monitoring**

The District monitors its budget to actual activity throughout the year in multiple ways:

- First, the accounting and reporting team prepare and publish periodic financial reports highlighting Budget to actual progress for each fund. This is done on a quarterly basis for the first half of the year, and monthly thereafter. These reports are then summarized in a dashboard format and presented to the District's Finance and Audit committee, and then to the Board of Education in a subsequent study session.
- In addition, the district's ERP system displays budget-to-actual data for the General Fund for each budget officer to review in real time as transactions are posted.
- Finally, the District's Senior Budget and Finance Analyst does a separate analysis and provides summary data, observations, and variance analysis to the CFO on a regular basis.

# **BUDGET DEVELOPMENT TIMELINE**

Month	Activity
December	Long-term budget projections are updated by the Budget Office.
January	The Board of Education reviews the long-term budget overview and accountability needs and sets District focus, goals, and priorities for the next fiscal year.  The Finance Department, Human Resources and Area Assistant Superintendents collaborate to develop the formulas and ratios that will be used in the following fiscal year to allocate staffing resources to individual schools based on criteria such as enrollment count and number of students that qualify for free and reduced meals.
February	The Planning Department provides the District with enrollment projections and staffing plans for each of the schools are developed using the established staffing guidelines.  Individual schools and departments submit discretionary budget requests for the upcoming fiscal year.
March	Requests for additional staffing and discretionary budget needs are presented to the Superintendent's Cabinet and approved based on goals and priorities of the District.
April/May	The compensation plan for the next budget year is developed, negotiated, and finalized.
Мау	The proposed budget is presented to the Board of Education and posted to the District website.  The public comment period begins, and extends through the public hearing in June.
June	The District conducts a public hearing on the proposed budget.  The proposed budget is approved by the Board of Education.
Aug/Sept	Staffing adjustments are made to accommodate actual enrollment and needs of schools and information is provided to the Budget Office for inclusion in the amended budget.
October	Updated health insurance election information is presented to the Finance Department.
December	Mill Levies are certified by the Board of Education for the following tax year.  Budget amendments are prepared.
January	The amended budget is reviewed by Cabinet.  The amended budget is approved by the Board of Education.

FINANCIAL SECTION

ADOPTED BUDGET

2024 - 2025 Fiscal Year

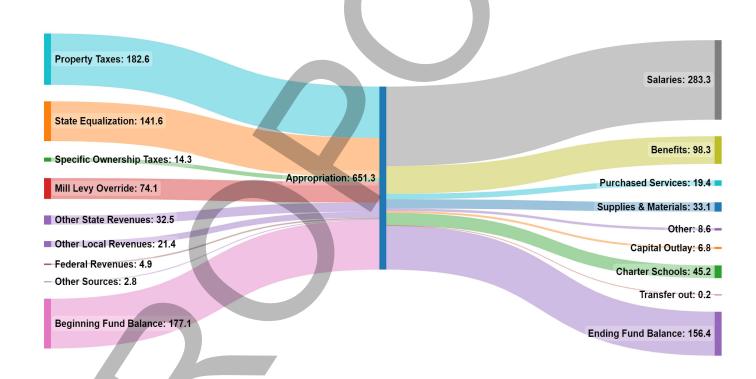

#### **FUND 10 - GENERAL FUND**

The General Fund is a governmental fund which includes the revenues and expenditures for the general operations of the District. The expenditures for the school and departmental operations are primarily budgeted and accounted for in the General Fund. The total budgeted revenues in the General Fund are \$474,232,876. The total budgeted expenditures in the General Fund are \$494,716,715. Additionally, there are budgeted transfers of \$200,000 out of the General Fund. Therefore, the General Fund fund balance is budgeted to decrease by \$20,683,839 in Fiscal Year 2025. Fund balance reserves of \$177,095,572 are also appropriated in the General Fund. A portion of the reserve appropriation includes \$10,296,000 for contingency reserve as required by Board policy, and \$15,443,000 for constitutionally-required TABOR reserves. The total General Fund budget appropriation for the year ending June 30, 2025 is \$651,328,448.

# **Fund 10 Appropriation**

(\$ In Millions)

#### **GENERAL FUND BUDGET FACTORS**

#### 2025 Fiscal Year Budget

This budget for the school year July 1, 2024 - June 30, 2025 (FY25) is presented based on the Colorado Public Schools Finance Act of 1994, as amended.

#### **Pupil Membership**

This budget is based on an estimated PK-12 student headcount of 32,503.

#### **Funded Pupil Count**

Pupil Membership is the estimated number of PK-12 students attending SVVSD per count projections. Funded pupil count (FPC) is based on whether those students are funded at full-time, half-time, or may be tuition-based preschool students for which the District does not receive additional funding. The FPC for this budget is 31,095.3, a decrease of 11.9, (-0.04%) below FY24.

#### **Instructional Supplies and Materials**

District policy requires the budget include \$319 per student for instructional supplies, books, field trips and capital outlay. The required minimum instructional supplies and materials budget is \$8,874,995. This is based on 27,821.3 FPC (FPC net of charter schools). Details can be found on page 66.

#### Capital Reserve/Risk Management

District policy requires direct allocation of funding to the Capital Reserve Fund and Risk Management Fund in the amount of at least \$505 per student, a minimum of \$14,049,757, for FY25. A total of \$14,799,757 allocated in FY25. This includes \$4,600,000 to the Risk Management Fund, and \$10,199,757 to the Capital Reserve Fund.

#### Per Pupil Revenue

Based on the anticipated allocation from the Colorado Department of Education, the District is expecting \$11,089.76 as per pupil revenue (PPR) for FY25. PPR was \$10,381.61 for FY24.

#### Mill Levy Override (MLO)

The voters of the District passed mill levy overrides in November of 2008 and 2012, both of which provide additional funds for a variety of items as defined within the ballot questions. As required, accounting for the MLO funds is incorporated within the General Fund totals. Additional details regarding planned expenditures are included on page 68.

#### **Charter Schools**

The District's allocations to the charter schools are detailed on page 71.

#### **Contingency Reserve**

For FY25, a 2.0% Board-established contingency reserve is calculated on seven operating funds and is maintained entirely within the budget of the General Fund.

#### **TABOR Emergency Reserve**

The TABOR Reserve is funded as required per Article X of the State Constitution (TABOR Amendment) and is held in cash and investments in the General Fund.

#### **School Allocations**

Schools are allocated a supplies and materials budget based on student enrollment. Staffing is allocated based on student-teacher ratios, focus programs, and individual school needs. Schools are not allowed to carry over unexpended General Fund budgets from year-to-year unless identified for a specific purpose and explicitly authorized.

#### **Salaries and Benefits**

Salaries expense includes an average increase of 8.45%, and funding for education advancement on the salary schedule. Benefits expense includes the additional PERA and Medicare funding required as well as increases in health and dental insurance premiums. This is the case for each fund that pays salaries and benefits.

#### **Revenues**

<u>Local Revenues</u> are mostly derived from property taxes and specific ownership taxes. The assessed valuation is projected to decrease in Weld County by roughly 16% due to a decrease in oil and gas property valuations as oil prices have fallen recently. This change is expected to reduce the District's total Mill Levy Override revenue by \$6.7 million in FY25. Investment income is also budgeted to decrease due to lower rates of return on the District's invested reserves. This category also includes revenues from Intergovernmental Agreements with Urban Renewal Authorities that are organized within the District's boundaries.

State Revenues are mostly a result of state equalization payments as part of the Colorado School Finance Act. Once the Total Program allocation for each district is determined, local property and specific ownership taxes fund the initial portion of the allocation and the State provides the rest through an equalization payment. This payment also trends upwards slightly year over year as the state allocates additional budget to K12 education, however, due to the recent larger increases in property values, the local share is providing more, and state Equalization payments are reduced proportionately in order to fund the allocation. This category also includes "categorical" and other grants from the state, as well as an accounting-only entry to recognize the District's share of the state's direct payment into PERA.

<u>Federal Revenues</u> primarily come from Build America Bond (BABS) rebates and Medicaid service reimbursement revenue. As a result of sunsetting pandemic relief funding, federal revenues recently returned to normal levels, in line with pre-pandemic inflows similar to fiscal year 2020.

Revenue Allocations track the allocation of some general fund revenues into the Risk Management and Capital Reserve funds per Board Policy. These allocations are the primary sources of revenue for each of those respective funds, and help ensure safety and security, manage liability, and help fund bus purchases and some non-bond-related capital expenditures, such as deferred maintenance, across the District.

#### **Other Sources**

Other revenue sources typically reflect account entries to record the inception of lease purchase agreements.

#### **Expenditures**

<u>Salaries and Benefits</u> track the spending for personnel compensation. These usually account for a large portion of School District budgets, often accounting for as much as 85% of expenditures in operating funds. These costs have been trending upward faster than is typical lately, as a result of aggressive compensation increases for Teachers and Staff in order to attract and retain high-quality teachers and staff, and to keep up with a high inflationary environment.

<u>Purchased Services</u> tracks expenditures used for third party contracted services for the District, including special education, custodial, and construction services.

<u>Supplies and Materials</u> accounts for the purchase of consumables, curriculum, digital licensing materials, technology, and other non-capital expenditures related to the education of St. Vrain's students.

<u>Capital Outlay</u> accounts for the cost of refurbishing or building new buildings, as well as purchasing vehicles and large equipment.

<u>Charter Schools</u> tracks the outflow of resources to the six autonomous charter schools for which the District is the Authorizer.

#### **Transfers**

Transfers are accounting entries to record internal funds transfers.

#### **Fund Balance Categories**

Nonspendable - balances include deposits, inventories, and prepaid items

Restricted for TABOR - 3% required reserves per the Colorado Constitution

<u>Restricted for Federal Contract</u> - amounts of reserves specifically allocated for the Federal Medicaid reimbursement program

Committed for Contingencies - 2% Board of Education reserve stipulated by board policy

<u>Assigned for Subsequent Year Expenditures</u> - amounts set aside to ensure funding for specific future obligations, such as a subsequent year budget spend-down, employment contract, or carryover

Assigned for Mill Levy Override - reserves specifically related to the 2008 and 2012 MLO revenues and expenditures

Unassigned - any remaining fund balance not belonging to a category above

### **TOTAL PROGRAM FUNDING**

Total Program Funding is the primary funding source for the District's General Fund. The Colorado Department of Education (CDE) uses a formula to determine how much Total Program Funding is provided to each Colorado school district based on a number of factors. Total Program can be expressed in total dollars, or in terms of per pupil revenue (PPR) multiplied by the District's funded pupil count (FPC).

Total Program is funded by three sources: Local Property Tax, Specific Ownership Tax (i.e. vehicle registrations), and the remainder is provided to St. Vrain Valley Schools by the State of Colorado through what is called "State Equalization."

Below is a historical breakdown of Total Program Funding for St. Vrain Valley Schools.

### ST. VRAIN VALLEY SCHOOL DISTRICT RE-1J

### ST. VRAIN VALLEY SCHOOLS TOTAL PROGRAM FUNDING 2016 - 2025

<sup>\*</sup> Total Program Funding is calculated per the Colorado Department of Education (CDE). Actual amounts budgeted and received by the District vary due to actual vs. expected tax collections, CDE rescissions from the State Equalization payment, and rounding.

Fund 10 - General Fund 70

### **CHARTER SCHOOL ALLOCATIONS**

The District must account for 100% of the District's per pupil revenue (PPR), multiplied by the funded pupil count (FPC) of the charter schools. The PPR for FY25 is \$11,089.76. The District also shares Mill Levy Override revenues with each of the six charter schools in proportion to their respective funded pupil counts. The student FPC for the charter schools for FY25 is 3,274.0, an increase of 52.0 compared to FY24, resulting in a total budgeted charter school allocation of \$45,160,811 as follows:

Fund 10 - General Fund 71

### **FUND 18 - RISK MANAGEMENT FUND**

The Risk Management Fund is used to account for the payment of loss or damage to the property of the District, liability claims, workers' compensation claims, insurance premiums, safety and security, environmental compliance, and related administrative expenses. Its primary source of revenue is an allocation from the General Fund State Equalization based on Board Policy. Other revenues include investment income and claims reimbursements.

The District is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; injuries to employees; and natural disasters. The District plans to provide for or restore the economic damages of those losses through risk retention and risk transfer.

The District is a member of two public entity risk sharing pools. The District's share of each pool varies based on exposures, the contribution paid to each pool, the District's claims experience, each pool's claims experience, and each pool's surplus and dividend policy. The District may be assessed to fund any pool deficit.

Since July 1, 2002, the District has been a member of the Colorado School Districts Self Insurance Pool for property and liability insurance. The District has insurance deductibles of \$50,000 (property and general liability), and \$1,000 (vehicle liability) per claim.

Since July 1, 1985, the District has been a member of the Northern Colorado School Districts Workers' Compensation Self Insurance Pool. The other current pool members are Park School District (Estes Park) and Weld RE 4 District (Windsor). The workers' compensation pool discontinued insurance operations effective July 1, 1998, and resumed insurance operations on July 1, 2003. During the intervening years, insurance coverage was obtained outside the pool. The District's deductible is \$50,000 per claim for the year ending June 30, 2025.

### **FUND 19 - COLORADO PRESCHOOL PROGRAM FUND**

The Colorado Preschool Program (CPP) Fund was used to account for revenue allocations from the General Fund used for the Colorado Preschool Program which was a state funded program for preschool children the year before kindergarten. Children who qualified for the Colorado Preschool Program may have had a variety of at-risk factors. Funding for the program used a calculated amount called per pupil operating revenue (PPOR), which was the General Fund's per pupil revenue under the state funding formula, less the Board-required Risk Management and Capital Reserve per-student allocation. The PPOR multiplied by the CPP funded pupil count that was certified in the October Count resulted in the total amount available to the CPP fund.

With the implementation of Universal Preschool in Colorado for the 2023-24 school year, the CPP program will not be utilized beginning in FY25. Any balances remaining in St. Vrain's CPP fund will be spent by the end of FY24.

### **FUND 21 - NUTRITION SERVICES FUND**

The Nutrition Services Fund accounts for the meal service program within the District. The program operates with a financially self-supporting budget. The program purchases food and supplies for preparation and service of meals according to Federal Child Nutrition Program guidelines. The Nutrition Services leadership team assesses the needs of the department and its customers, sets measurable goals, and maintains a philosophy of customer service in dealing with students, parents, school staff, and the community.

In March of 2020, in response to the COVID pandemic, the Federal Child Nutrition Program began providing full reimbursements for all student meals. The additional funding expired in July of 2022. In November of 2022, Colorado voters passed an initiative to allow for school districts to again provide free meals to all students beginning in FY24. Under the Healthy School Meals for All (HMSA) program, the State reimburses districts based on the federal free reimbursement rate per meal served, less the amount received from Federal Child Nutrition Programs.

In October 2023, the United Stated Department of Agriculture (USDA) changed the eligibly requirements for the Community Eligibility Provision (CEP) to allow a greater number of schools to qualify; and the Colorado Department of Education (CDE) approved mid-year enrollment into CEP to maximize Federal funding. CEP provides Federal funding for all meals in qualifying schools based on the percentage of students that participating in programs such as Supplemental Nutrition Assistance Program (SNAP) and Temporary Assistance for Needy Families (TANF). The Healthy Meals for All program requires that all qualifying schools and districts enroll in CEP. As of March 1, 2024, 41 schools in the district have been in enrolled in the program, with more anticipated to join in FY25.

Pending state budget allocations, beginning in FY26, additional state funds will support wage increases to frontline food service employees and establish a Local Food Program to promote purchases from local vendors.

### FUND 22 - GOVERNMENTAL DESIGNATED-PURPOSE GRANTS FUND

The Governmental Designated-Purpose Grants Fund is used to account for restricted state and federal grants.

The Every Student Succeeds Act (ESSA) of 2015 replaced and updated the No Child Left Behind Act (NCLB) of 2001. ESSA gives greater deference to state education policies and reduced the federal government's role and oversight with regard to the education of Colorado's K-12 students. For more information, visit www.ed.gov/essa.

#### **Consolidated Grants**

### Title I: Part A: Improving Academic Achievement of the Disadvantaged

This funding focuses on promoting school-wide reform in at-risk schools and ensuring student access to scientifically based instructional strategies and challenging academic content. This program is the largest ESSA program and allocates its resources based on the poverty rates of students.

### Title II: Part A: Teachers and Principals Training and Recruiting

This grant helps to ensure high quality teachers will be available for all students. The grant provides for teacher training and recruitment of highly qualified teachers, para-educators, and principals capable of ensuring that all children achieve high standards.

### <u>Title III: Language Instruction for Limited English Proficient and Immigrant Students</u>

This grant helps children with limited English skills develop high levels of academic attainment in English and meet the state academic achievement standards set for each grade level. Title III also addresses the need for family literacy, providing English language instruction for parents and preschool age children.

### <u>Title IV: Part A: Student Support and Academic Enrichment</u>

This grant is intended to improve students' academic achievement by increasing the capacity of State educational agencies (SEAs), local educational agencies (LEAs), and local communities to provide all students with access to a well-rounded education; improve school conditions for student learning; and improve the use of technology to improve the academic achievement and digital literacy of all students.

#### **Federal Grants**

### IDEA - PL 94-142 - Part B

The purposes of the Individuals with Disabilities Education Act (IDEA) are to ensure that all children with disabilities have available to them free appropriate public education which emphasizes special education and related services designed to meet their unique needs; ensure the rights of children with disabilities are protected; assist local educational agencies to provide education of all children with disabilities; and assess and ensure the effectiveness of efforts to educate children with disabilities.

### IDEA - PL 99-457 - Preschool

Provides grants to local education agencies to assist in providing special education and related services to children with disabilities ages three to five.

### <u>Carl Perkins – Career and Technical Education</u>

This grant develops the vocational skills of secondary students by promoting integrated career, academic, and technical instruction.

### McKinney - Education for Homeless Children and Youth

This grant ensures that all homeless children and youth have equal access to the same free, appropriate public education available to other children.

#### **State Grants**

### School to Work Alliance Program (SWAP)

The purpose of SWAP is to provide career development and employment related services to youth with disabilities through partnership with the Colorado Department of Education, the Division of Vocational Rehabilitation and school districts. SWAP is designed to enhance transition services mandated through IDEA.

### **FUND 23 - STUDENT ACTIVITIES SPECIAL REVENUE FUND**

The Student Activities Special Revenue Fund records financial transactions related to school sponsored pupil intrascholastic and interscholastic athletic and other related activities. Although these activities are generally supported by revenues from pupils and gate receipts, they may be supplemented by fundraisers and gifts. Accounting is maintained for each District school and department, and separate activities within each location.

### **FUND BALANCE JUNE 30, 2023**

### **FUND 27 - COMMUNITY EDUCATION FUND**

The Community Education Fund is a Special Revenue Fund and is used to record financial transactions from such activities as summer school, community projects, and student alternative make-up program.

<u>Community Schools</u> - Funds are generated through tuition and fees. The Community Schools program received State and Federal COVID relief funds in recent years, but these funds are expected to be fully expensed by June 30, 2024. Expenditures include salaries, enrichment program services, supplies/materials, and some furniture/equipment purchases. The Community Schools program includes before/after school child care, wrap-around programs for part-time preschool students, and after-school, summer, or non-school-day enrichment programs. The program primarily serves elementary school age students.

<u>Facility Use</u> - Funds are generated through rental and use fees of District facilities. Expenditures include costs for custodial services, repairs and maintenance, administration, and supplies and materials.

<u>Local Grants and Awards</u> - The District receives many grants and awards from local non-profits and corporations, usually for specific purposes. Each grant and award is tracked individually.

<u>Summer School</u> - Funds are generated through tuition and donations. Expenditures include instructor salaries, clerical support, supplies/materials, tuition assistance and utility/custodial support. This program serves students in both elementary and secondary grades

### **FUND 29 - FAIR CONTRIBUTIONS FUND**

This Special Revenue Fund was first established November 15, 1995 in accordance with the Intergovernmental Agreement Concerning Fair Contributions for Public School Sites between the City of Longmont and the St. Vrain Valley School District in order to collect monies for acquisition, development or expansion of public school sites based on the impacts created by residential subdivisions. Since that date, additional intergovernmental agreements have been set up with the Towns of Mead, Frederick, Firestone, Erie, Lyons, Dacono and Broomfield. Additional fair contribution fees for public school sites are collected from Boulder County, Larimer County, and from individual developers in Weld County.

The fee is assessed according to the type of dwelling: single family, duplex/triplex, condo/townhouse, multi-family or mobile home. The fees are collected for use within the senior high school feeder attendance area boundaries, which serve the individual dwelling units.

### **FUND 31 - BOND REDEMPTION FUND**

The Bond Redemption Fund is a debt service fund used to account for property taxes levied and investment income earned, and to provide for payment of general long-term debt principal retirement, semi-annual interest, and related fees.

The District's long-term debt, in the form of general obligation bonds, totals \$296,775,000 as of June 30, 2024. In November of 2016, District taxpayers authorized \$260 million of general obligation debt in order to address the District's capital needs due to growth. In December of 2016, the District issued \$200 million of the \$260 million that was authorized, and issued the remaining \$60 million in October of 2018. The budgeted amount for the District's debt service and related fees for Fiscal Year 2024-25 is \$29,317,689. Property taxes represent the primary revenue source for the Bond Redemption Fund, though investment income is expected to contribute nearly 19% towards total revenue in FY25.

In October 2022, with sufficient resources available in its Bond Redemption Fund to be able to fund the early redemption of bonds, administration determined it was advantageous and favorable to the District and its taxpayers to fully redeem and discharge the remaining \$16.4 million of the series 2012 bonds early, on October 31, 2022. This reduced the longevity of the 2012 bond debt by more than 2 years, resulting in an interest savings of approximately \$847,000.

In December of 2023, with sufficient resources available in its Bond Redemption Fund to be able to fund the early defeasance of a portion of its bonds, and administration worked with its outside municipal advisors and determined that it was advantageous and favorable to St. Vrain and its taxpayers to defease and redeem the 2033-2036 maturities of the 2016C Bonds early, on Dec 22, 2023. These four maturities represented \$73,175,000 in principal. On December 15, 2026, these defeased bonds will become callable and these four maturities will be redeemed without penalty. This action reduces the longevity of the outstanding 2016C debt by 4 years, reducing the total interest paid by approximately \$39.7 million, representing a savings of \$36.8 million.

The property tax levy for principal and interest on bonds was Board-approved at 16.728 mills for property tax year 2023 (to be collected in 2024), which is approximately 29.2% of the District's total tax levy of 57.238 mills. Given the early bond redemptions described above, future debt service requirements are reduced in future years, until fiscal year 2034, when all existing bonds will be repaid. Maintaining the current scheduled repayment of long-term debt is not expected to have any significant financial impact on current or future operations of the District.

The legal debt limit of 20% of the District's 2023 assessed valuation of \$6.10 billion is \$1.2 billion. This exceeds the net amount of the District's bonds payable as of December 31, 2023 by approximately \$923.0 million.

The District experienced a downward impact to student enrollment as a result of the COVID-19 pandemic in the amount of approximately 1,500 students, or -4.7% (including the preschool program) in the 2020-21 school year. Since then, student enrollment has almost entirely returned to pre-pandemic levels. District needs for additional school facilities are expected to increase in the near term, given projected residential growth within district boundaries.

#### **FUND 41 - BUILDING FUND**

The Building Fund is a Capital Project Fund used to budget and account for the proceeds of bond sales and expenditures for capital outlay for land, buildings, improvements of grounds, construction of buildings, additions or remodeling of buildings, or the initial purchase and replacement of certain equipment.

In December 2016, the District issued \$200 million in bonds and received an additional \$23.6 million in bond premium. This resulted in a total of \$223.6 million in proceeds from the initial sale of bonds that were authorized by voters in November 2016.

An additional \$60 million bond issuance took place in October of 2018, generating an additional \$3.4 million in premium. This provided the balance of the funds necessary for all of the planned projects as described in the November 2016 ballot information.

In addition to facility, instructional and safety improvements at every school in the district, the bond has also included larger additions to Blue Mountain Elementary School, Eagle Crest Elementary School, Erie High School, Frederick High School, Silver Creek High School and Mead High School; construction of PK-8 Soaring Heights in Erie, Grand View Elementary School, Highlands Elementary School, and Mead Elementary School; and a new Innovation Center in Longmont to serve the entire St. Vrain student population.

#### **FUND 43 - CAPITAL RESERVE FUND**

The Capital Reserve Capital Projects Fund is used to account for revenue allocations from the General Fund State Equalization, as well as, other revenues transferred to or earned in this fund, and the expenditures for the ongoing capital needs of the District, such as acquisition of land, building additions and improvements, and major equipment purchases.

The District's long range capital planning is developed through the process of reacting to the needs identified and prioritized through asset performance assessments and life cycle analysis, facility modification requests, educational programmatic needs, unforeseen asset repairs or replacements. Capital Improvement planning is typically broken down into two categories: Capital Renewal and Capital Improvement.

Capital Renewal would be categorized as evaluating building systems and assets based on a life cycle analysis. This analysis considers industry standard life expectancy, system performance determined by the level of effort to maintain the expected operation, ability to service equipment into the future, etc., for which funding could be appropriated for years in advance.

Capital Improvement projects are borne from more specific projects that are created out of the short term need more than the Capital Renewal projects. These are created through facility modification requests, education programmatic needs, and unforeseen asset repairs or replacements. Schools and departments submit project and equipment funding requests. Requests are evaluated and recommended by the Capital Reserve Committee and submitted to the Board of Education for final approval.

Some of the major capital projects for the budget year include: asphalt replacement and repair, door access control/improvements, fire alarm enhancements, classroom lighting controls, sewer replacement/replacing water lines, auditorium rigging/stage improvements, door hardware upgrades, and network resiliency.

While individual projects vary in terms of additional cost and savings, the overall capital project budget is on track. Some examples of projects where we see savings are those that bid at more advantageous timing for contractors and their resources. Projects that see additional costs are those in which material costs are more volatile and / or are experiencing longer lead times, e.g. replacement generators, new electrical panels, transportation vehicles and equipment/furniture.

#### **FUND 65 - SELF INSURANCE FUND**

The Self Insurance Fund is an internal service fund used to account for the District's self-funded insurance plan. Revenues for the fund include employee and District contributions towards health and dental claims, and rebates or incentives from healthcare provider contracts. Expenditures include claims, salary, benefits, purchased services, and supplies related to managing the self-insurance health and dental plans and complying with the Health Insurance Portability and Accountability Act (HIPAA).

Fund 65 - Self Insurance Fund

#### **SUMMARY BUDGET REPORTS**

The following pages contain consolidated budgetary information to provide a district-wide, comprehensive summary of all funds combined, as well as individual fund budgets.

#### **Summary of Revenues and Expenditures**

The first summary report contains actual and projected revenues and expenditures for all District funds combined.

The next summary report combines information for the following operating funds: General Fund, Colorado Preschool Program Fund, Community Education Fund, Governmental Designated-Purpose Grants Fund, Nutrition Services Fund, Risk Management Fund, and Student Activities Special Revenue Fund.

#### **Consolidated Budget Summary**

The Consolidated Budget Summary shows all funds available compared to total appropriations, summarized by operating funds and other funds. Subsequent pages show the detail for each fund in a side-by-side, comparison format.

Operating funds include the General Fund, Colorado Preschool Program Fund, Community Education Fund, Governmental Designated-Purpose Grants Fund, Nutrition Services Fund, Risk Management Fund, and Student Activities Special Revenue Fund.

Other funds include the Bond Redemption Fund, Building Fund, Capital Reserve Fund, Fair Contributions Fund and Self Insurance Fund.

#### **Uniform Consolidated Budget Summary**

This schedule presents the budget of each fund, organized by program and object, according to the state-mandated "Uniform Budget Summary" format as required under C.R.S. 22-44-105(1)(d.5).

#### SUMMARY OF REVENUES AND EXPENDITURES - ALL FUNDS

The following table contains actual and projected revenues and expenditures for all District funds combined. This includes District operating funds as well as funds designated exclusively for debt management or capital construction. A description of the various revenue sources and expenditure categories follow:

#### **Revenues**

<u>Local Revenues</u> are mostly derived from property taxes and specific ownership taxes. The District's mill levies are mostly stable and decrease slightly in FY24. Property valuations have trended upward in recent years. However, the District anticipates an overall decrease in values for FY25 related to a decline in oil and gas property types, which are revalued annually based on production and the price of gasoline, which has recently declined.

State Revenues are mostly a result of state equalization payments as part of the Colorado School Finance Act. Once The Total Program allocation for each district is determined, local property taxes fund the initial portion of the allocation and the State provides the rest through an equalization payment. This payment also trends upwards slightly year over year as the state allocates additional budget to K12 education, however, due to the recent larger increases in property values, the local share is providing more, and state Equalization payments do not need to be as large in order to fund the allocation.

<u>Federal Revenues</u> primarily come from consolidated (ESSA) education grants, Improving Academic Achievement of the Disadvantaged (IDEA) funds, and the National School Lunch Program (NSLP). These federal funds tend to increase slightly over time, depending on the US Dept. of Education spending allocations in conjunction with the political environment. However, as a result of sunsetting pandemic relief funding, federal revenues recently returned to normal levels, in line with pre-pandemic inflows similar to fiscal year 2020.

#### **Other Sources**

Other Revenue Sources typically reflect accounting entries to record the inception of lease purchase agreements.

#### **Expenditures**

<u>Salaries and Benefits</u> track the spending for personnel compensation. These usually account for a large portion of School District budgets, often accounting for as much as 85% of expenditures in operating funds. These costs have been trending upward faster than is typical lately, as a result of aggressive compensation increases for Teachers and Staff in order to attract and retain high-quality teachers and staff, and keep up with a high inflationary environment.

<u>Purchased Services</u> tracks expenditures used for third party contracted services for the District, including special education, custodial, and construction services.

<u>Supplies and Materials</u> accounts for the purchase of consumables, curriculum, digital licensing materials, technology, and other non-capital expenditures related to the education of St. Vrain's students.

<u>Capital Outlay</u> accounts for the cost of refurbishing or building new buildings, as well as purchasing vehicles and large equipment.

<u>Other Expenditures</u> primarily include debt-related transactions, such as paying down principal and interest for the District's general obligation bonds. This expenditure category will often decrease over time as the District pays down debt, unless new voter-approved bonds are issued.

<u>Charter Schools</u> tracks the outflow of resources to the six autonomous charter schools for which the District is the Authorizer.

**Fund Balance Categories -** The District's reserve is categorized in the following areas:

Nonspendable - balances include deposits, inventories, and prepaid items

Restricted for TABOR - 3% required reserves per the Colorado Constitution

Restricted for Federal Contract - amounts of reserves specifically allocated for the Federal Medicaid reimbursement program

Committed for Contingencies - 2% Board of Education reserve stipulated by board policy

Committed for BOE Allocations - allocations to other funds, such as the risk management and capital reserve funds

<u>Assigned for Subsequent Year Expenditures</u> - amounts set aside to ensure funding for specific future obligations, such as a subsequent year budget spend-down, employment contract, or carryover

Assigned for Mill Levy Override - reserves specifically related to the 2008 and 2012 MLO revenues and expenditures

<u>Unassigned</u> - any remaining reserve not belong to a category above

#### SUMMARY OF REVENUES AND EXPENDITURES - OPERATING FUNDS

The following table contains actual and projected revenues and expenditures for the District's operating funds, which include the General Fund, the Colorado Preschool Program Fund, the Community Education Fund, the Governmental Designated-Purpose Grants Fund, the Nutrition Services Fund, the Risk Management Fund, and the Student Activities Special Revenue Fund. Not included are funds designated for debt service and capital expenditures. A description of the various revenue sources and expenditure categories follow:

#### Revenues

<u>Local Revenues</u> are mostly derived from property taxes and specific ownership taxes. The District's mill levies are mostly stable and decrease slightly in FY24. Property valuations have trended upward in recent years. However, the District anticipates an overall decrease in values for FY25 related to a decline in oil and gas property types, which are revalued annually based on production and the price of gasoline, which has recently declined.

State Revenues are mostly a result of state equalization payments as part of the Colorado School Finance Act. Once The Total Program allocation for each district is determined, local property taxes fund the initial portion of the allocation and the State provides the rest through an equalization payment. This payment also trends upwards slightly year over year as the state allocates additional budget to K12 education, however, due to the recent larger increases in property values, the local share is providing more, and state Equalization payments do not need to be as large in order to fund the allocation.

<u>Federal Revenues</u> primarily come from consolidated (ESSA) education grants, Improving Academic Achievement of the Disadvantaged (IDEA) funds, and the National School Lunch Program. These federal funds tend to increase slightly over time, depending on the US Dept. of Education spending allocations in conjunction with the political environment. However, as a result of sunsetting pandemic relief funding, federal revenues recently returned to normal levels, in line with pre-pandemic inflows similar to fiscal year 2020.

#### Other Sources

Other Revenue Sources typically reflect accounting entries to record the inception of lease purchase agreements.

#### Expenditures

<u>Salaries and Benefits</u> track the spending for personnel compensation. These usually account for a large portion of School District budgets, often accounting for as much as 85% of expenditures in operating funds. These costs have been trending upward faster than is typical lately, as a result of aggressive compensation increases for Teachers and Staff in order to attract and retain high-quality teachers and staff, and to keep up with a high inflationary environment.

# ST. VRAIN VALLEY SCHOOLS academic excellence by design

# ADOPTED BUDGET 2024 - 2025 Fiscal Year

#### **Tax Base and Rate Trends**

Approximately 54.4% of the District's General Fund revenue comes from local property taxes (including mill levy overrides), amounting to about \$256.6 million. Property taxes also fund the repayment of the District's general obligation debt through the Bond Redemption Fund, amounting to \$16.2 million in FY25.

The amount of property tax owed by a taxpayer for the school district is based on the property's assessed valuation, multiplied by the District's mill levy, and then divided by one thousand (one mill is equal to one dollar per \$1,000 of assessed value). Assessed valuation and mill levy rates are certified annually each December, and collected the following year. The District's current mill levy is 57.238, which was certified in December of 2023 for collection in 2024. The assessed value of a property is determined by multiplying its value (as determined by the County Assessor) by the assessment rate, which varies depending on the type of property. For example, to find the 2023 property tax owed in 2024 for a home with a value of :

Actual Value	×	Assessment Rate	×	Mill Levy	1	1,000	=	Annual Property Tax
\$450,000	×	6.70%	×	57.238	1	1,000	=	\$ 1,725.73

The District's total mill levy actually comprises four different levies. The General Fund Levy (27.000 mills) is the portion of Total Program Revenue that is set by the State and detailed on page 70 in the Financial Section of the full budget document. The Abatement Levy (0.272 mills) provides funding for previously assessed taxes that were abated or refunded by the county and were not received by the District in a prior tax year. The Mill Levy Override (13.238 mills) represents voter-approved levies for operating expenses related to specific purposes, listed on page 68 in the Financial Section of the full budget document. Finally, the Debt Service Levy (16.728 mills) provides funding to pay the principal and interest payments on voter-approved general obligation bonds used to fund capital construction projects such as new schools and improvements to existing schools.

The following tables show the history of St. Vrain's property tax mill levies, net assessed values and tax collections.

### SUMMARY OF PROPERTY TAX LEVIES CALENDAR YEARS 2024 - 2023

Year	General Fund Levy	Abatement Levy	Mill Levy Override	General Operating Subtotal	Debt Service Levy	Total Property Tax Levies
2023	27.000	0.272	13.238	40.510	16.728	57.238
2022	26.995	0.250	13.590	40.835	17.550	58.385
2021	25.995	0.223	13.590	39.808	17.550	57.358
2020	24.995	0.407	13.590	38.992	17.550	56.542
2019	24.995	1.424	13.590	40.009	17.550	57.559
2018	24.995	0.250	13.590	38.835	17.550	56.385
2017	24.995	0.259	13.590	38.844	17.550	56.394
2016	24.995	0.810	13.590	39.395	17.550	56.945
2015	24.995	0.502	13.590	39.087	14.800	53.887
2014	24.995	0.288	13.590	38.873	14.800	53.673

2018 Building	-	-	5,000,000	)	5,000,000
2016C (33-36 maturities)	-	36,800,000	-		36,800,000
Total	\$ 38,074,000	\$ 39,237,000	\$ 5,000,000	) \$	82,311,000

Amounts are stated in future value savings.

# **Projects Funded by Bonds**

#### **Projects for Longmont Schools**

- · Adding new classrooms and building space to accommodate student growth and address capacity impacts
- Increasing safety with improved security entrances, stair barriers and sidewalk repairs
- Repairing and replacing roofs, windows, doors, caulking and masonry to reduce mold and airborne contaminants
- Adding security camera coverage inside hallways and surrounding exteriors to create a safer environment
- Upgrading building interiors such as commons, science labs and music rooms
- Creating safer building evacuations by repairing doors, ramps and exit pathways
- Improving building lighting inside, outside and throughout parking areas to create safe walk areas in low light conditions
- Updating doors and ramps to ensure safe accessibility in accordance with the Americans with Disability Act (ADA)
- Replacing classroom temperature controls, air quality, floor sinks, faucets, flush valves and filtered water bottle filling stations to improve the learning environments

#### **Projects for Erie Schools**

- A new 120,000 square foot PK-8 school to accommodate student growth and address capacity impacts
- Repairing exterior learning spaces
- Building additions and a 31,000 square foot high school wing
- Increasing parking areas

(continued on next page)

#### **Projects for Erie Schools (continued)**

- Improving entrances and camera coverage to create a safer environment
- Remodeling high school science rooms
- Improving lighting along facility exteriors and parking lots
- Adding cafeteria/gym multi-use spaces
- Repairing masonry and exterior caulking to protect from moisture, mold and airborne contaminants
- Replacing emergency generators
- Repairing and replacing cracked, broken and missing sidewalks
- Replacing leaking water control valves
- Building retaining walls and fencing
- · Replacing antiquated exhaust fans, faucets, lavatories, filtered drinking fountains and floor sinks
- Installing new door closers and retrofitting locks to create safe classroom environments
- Americans with Disabilities Act (ADA) improvements and repairs

#### **Projects for Carbon Valley**

- New elementary school to accommodate student growth and address capacity impacts
- Outfitting buildings with security cameras inside and out, lighting parking lot walk paths and establishing secure entryways
- Replacing classroom doors and key systems
- Adding a new wing to the high school and increasing parking
- Repairing roofs at several schools
- Finishing several building components of Spark! Discovery Preschool to support young families
- Improving classroom environment temperature controls and interior lighting systems in learning environments
- Upgrading and replacing fire alarm systems
- Repairing exit doors as well as concrete walk pathways and paved areas to provide safe exiting paths for students and community members
- Maintenance and repairs to improve air quality and reduce airborne particulates
- Exterior maintenance including: adding gutters and downspouts to move water away from buildings; completing landscaping repairs; and caulking and painting windows
- Repairing and replacing filtered water bottle filling stations
- Adding new water heaters and plumbing systems to improve on the quality of water in the buildings

#### **Projects for Lyons Schools**

- Improvements to the auditorium
- Adding cameras inside hallways and outside of structures to create a safer environment
- Adding classrooms to the elementary school to accommodate student growth and address capacity impacts
- Remodeling interior classrooms to enhance learning environments
- Improving safety by increasing lighting around buildings that operate during low light periods
- Improvements to the cafeteria areas
- Improving safety by adding GFCI outlets
- Installing lights in parking lots for increased safety
- Installing Americans with Disabilities Act (ADA) compliant pedestrian walking paths to bleachers to improve accessibility
- Replacing pea gravel with wood chips
- · Replacing and relocating sinks and adding filtered water bottle filling stations designed to reduce water particulates

#### **Projects for Mead Schools**

- Adding new classrooms and a new wing to the high school to accommodate student growth and address capacity impacts
- Increasing security camera coverage inside hallways and surrounding exteriors to create a safer environment
- Increasing building sizes
- Remodeling building interiors to enhance learning environments
- Adding new exterior sidewalks for better access
- Increasing parking
- Addressing roof drainage issue impacting asphalt, including removing asphalt and installing underground storm drainage system
- Bringing the auditorium stage into Americans with Disabilities Act (ADA) compliance
- Addressing exterior lighting issues to enhance safety
- Installing smoke vents
- Repairing roadway
- Replacing trees
- Installing infield irrigation system
- Repairing tennis courts
- Adding fume hoods in science classrooms
- Installing new camera server

#### **Projects for Niwot Schools**

- Adding auditorium seats
- Upgrading lighting
- Building new library
- Increasing security camera coverage inside hallways and surrounding exteriors to create a safer environment
- Remodeling the interior to enhance learning environments
- Adding a new auditorium stage floor
- Rebuilding bus loop and playground area
- Improving safety by securing entrances
- Replacing interior finishes reaching their life expectancy
- Installing safety pole
- Replacing exterior doorways
- Addressing air flow problem in kiln room
- Repairing dumpster area for safety
- Installing pumps and replacing boiler system
- Replacing drains and drinking fountains
- Adding isolation valves
- Addressing lack of hot water issues
- Installing new camera server
- Adding fume hoods in science classrooms

# **Student Enrollment**

Each year all public school districts and facilities across the state of Colorado participate in the Student October Count data submission to the Colorado Department of Education (CDE). The purpose of this data collection is to obtain required student level data as provided for by state statute, including information regarding students' funding eligibility as outlined in the Public School Finance Act of 1994, as amended. The Student October Count is based on a one day membership count in which districts are asked to report all students who are actively enrolled and attending classes through their district on that date. The actual enrollment numbers presented below come from the October Count for the year indicated.

The St. Vrain Valley School's Planning Department creates student projections by blending a cohort survival model with a student resident model. This blended approach provides a comprehensive model that is additionally influenced by building permits and birth data. The cohort survival model is the core of this approach as it leverages historical enrollment data to track how each cohort of students progress through the school system. Retention rates between grades are analyzed to uncover patterns in student movement within each high school feeder as well as accounting for possible open enrollment patterns. By projecting these cohort survival rates forward this model forecasts the number of students likely to progress at each grade for each school. Simultaneously, the student resident model introduces a different lens by incorporating the impact of residential development on enrollment. Building permits, indicative of housing growth within the different communities, influence the model dependent upon residential unit type (single family vs multi-family). By examining the permits issued, along with the nature and speed of upcoming residential construction, this model accounts for the potential influx or decline of students based on changing community demographics. Birth data further enhances this hybrid projection. Analyzing births within the District provides a forward-looking perspective on the future student population. Birth rates help guide student projections for kindergarten, and to some extent first grade, enrollments. This hybrid approach provides an adaptive methodology that harnesses power of historical trends, demographic shifts, and residential developments to offer a more comprehensive and adaptive approach to predicting student enrollments for a continually changing region.

# **Performance Measures**

# **On-Time (4-year) Graduation Rate**

The on-time graduation rate is the number of students receiving a regular diploma within four years of entering ninth grade divided by the number of students in the Anticipated Year of Graduation (AYG) cohort. The AYG cohort is determined by assigning an unchanging anticipated year of graduation to students when they enter ninth grade. The AYG cohort is adjusted by the number of students transferring in and out of the District.

In 2023, St. Vrain Valley Schools achieved the highest on-time gradation rate in the District's history, at 93.3%. This is the highest gradation rate of any district in the Denver Metro area, and the highest of any district in Colorado with more than 300 graduates.

The foundation of the District's success begins the moment students enter preschool or kindergarten and is built throughout their 12-14 years in St. Vrain. Everything across our system impacts our graduation rates, which is why this is such an important indicator of the quality of our teachers, students, schools and system. This includes the quality and care of our school buildings and learning environments, access to nutritious meals and safe transportation, strong school leadership, outstanding classroom teachers and paraprofessional support, caring front office and health staff, robust technology and aligned curricular resources, engaging experiences in and outside of the classroom, and so much more.

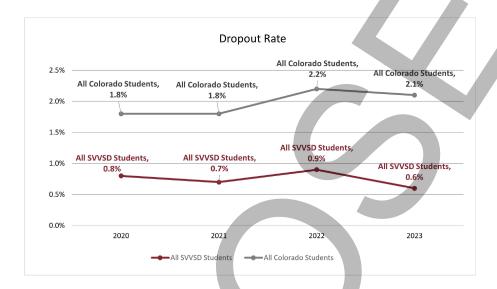

Performance Measures 153

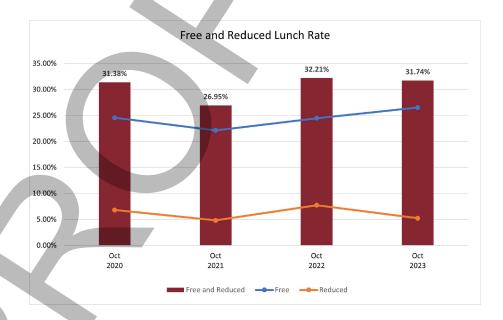

# **Dropout Rate**

The dropout rate is calculated by taking the number of dropouts during the school year and dividing by the number of 7th-12th grade students that were part of the same membership base at any time during the school year. The District's dropout rate of .6% for all students is the lowest in the Denver Metro area in 2023.

## Free and Reduced Lunch Rate

The free and reduced lunch rate is the percentage of students (excluding preschool) that qualify for free or reduced meals under the National School Lunch Act. The free and reduced rate is used in determining a portion of the District's funding from the State, as well as many grants.

Performance Measures 154

# **Standardized Test Scores**

The State of Colorado uses Colorado Measures of Academic Success (CMAS) tests to measure third through eighth grade students' mastery of the standards and the complex thinking and other critical skills that students need to be successful in school and in life. For high school level students, PSAT and SAT tests are administered to all students and used to measure academic growth and achievement.

Assessment	Possible Score Range	<b>SVVSD Mean Score</b>			Colorado Mean Score

#### **Abatements**

A complete or partial cancellation of a levy imposed by a government. Abatements usually apply to tax levies, special assessments, and service charges.

#### Accelerating Students through Concurrent Enrollment (ASCENT)

A program that allows eligible students to complete a fifth year of high school while enrolled concurrently in higher education courses.

#### Account

A record used to summarize all increases and decreases in a particular asset or any other type of asset, liability, fund equity, revenue, or expenditure.

#### **Advanced Placement**

A program created by the College Board which offers college-level classes and examinations to high school students. Colleges and universities may grant course credit to students who obtain high scores on the examinations.

#### **Appropriation**

The setting aside by resolution of a specified amount of money for a fund with an authorization to make expenditures and incur obligations for specific purposes.

#### Assessed Valuation (AV)

The taxable value of real and personal property as determined by a tax assessor or government agency as a basis for levying taxes. Assessed valuation does not necessarily correspond to the property's market value.

#### **Assets**

Resources owned or held by an entity which have monetary value.

#### At-Risk

An at-risk student is a student who is at risk of not meeting academic or social expectations or of not graduating from high school.

#### **Benefits**

Compensation, in addition to a regular salary, provided to an employee. This may include benefits such as health insurance, life insurance, dental insurance, paid time off, Medicare, and Public Employees Retirement Association (PERA) contributions.

#### Bonds

Interest bearing certificates of public indebtedness or obligations made by the district which are insured against default by a third party.

#### Budget

A plan of future events including anticipated revenues and expenditures, along with the financial position at some future point in time.

#### **Build America Bonds (BABS)**

Government Bonds created by the American Recovery and Reinvestment Act of 2009 as an alternative way for the federal government to subsidized local and state governmental borrowing my making a direct payment to the bond issuer for 35% of the interest cost.

#### Cabinet

Senior advisors to the Superintendent of Schools.

#### **Callable Bond**

Callable or redeemable bonds are bonds that can be redeemed or paid off by the issuer prior to the bonds' maturity date. When an issuer calls its bonds, it pays investors the call price (usually the face value of the bonds) together with accrued interest to date and, at that point, stops making interest payments.

#### **Capital Outlay**

An expenditure which results in the acquisition of fixed assets or additions to fixed assets which are presumed to provide a benefit to the District for more than 1 year.

#### **Career Elevation and Technology Center (CETC)**

A Career and Technical Education center, providing high school student from throughout the district pathways to acquire knowledge and skills linked with specific post-secondary program leading to a two year or four year degree, and provide students industry certifications giving them a jump start in their careers.

#### **Categorical Programs**

Specific programs that are funded separately from a district's Total Program Funding under the School Finance Act. Examples include Special Education (SPED), Gifted and Talented (G/T), English Language Proficiency Act (ELPA), Career and Technical Education (CTE), and Pupil Transportation. State funds for categorical programs are generally distributed based on a partial reimbursement of approved expenditures.

#### **Charter School**

A public school operated independently of the local school board, often with a curriculum and educational philosophy different from the other schools in the system.

#### Colorado Department of Education (CDE)

The administrative arm of the Colorado State Board of Education.

#### Colorado Measures of Academic Success (CMAS)

State's common measurement tool of students' progress at the end of the school year in English Language Arts, math, science, and social studies.

#### Community Eligibility Provision (CEP)

A National School Lunch Program (NSLP) and School Breakfast Program (SBP) meal service option that allows eligible schools to offer meals at no cost to all enrolled students without collecting household applications.

#### Colorado Preschool Program (CPP)

Was a state-funded early childhood education program administered by the Colorado Department of Education to fund preschool for students considered to be at risk for later school failure. Program ended in June 2023 with the implementation of Universal Preschool.

#### **Contingency Reserve**

Monies budgeted in the General Operating Fund (GOF) for emergencies and other unforeseen events.

#### **Defeasance**

A financing tool by which outstanding bonds may be retired without a bond redemption or implementing an open market buy-back. The principal of and interest earned on the securities are sufficient to meet all payments of principal and interest on the outstanding bonds as they become due.

#### **English Language Proficiency Act (ELPA)**

A state funded program that provides financial and technical assistance to school districts implementing programs to serve the needs of students whose dominant language is not English.

#### **Enterprise Resource Planning System (ERP)**

A suite of software applications that connects all business/administrative processes of an organization. The ERP Pro System integrates the district's Human Resources, Payroll, Finance & Accounting, Procurement, and Fixed Asset processes.

#### **Equalization, State**

General state aid or support provided to the district under the Public School Finance Act of 1994, as amended.

#### Exceptional Children's Education Act (ECEA)

The overarching law for gifted education and special education.

#### **Expenditures**

Charges incurred, whether paid or unpaid, which are presumed to benefit the current fiscal year.

#### Fiscal Year (FY)

The twelve-month period to which the annual budget applies. All Colorado school districts, by law, must observe a fiscal year that is July 1 through June 30.

#### **Fixed Asset**

Tangible property with an estimated life of more than one year.

#### Free or Reduced Lunch (FRL)

To qualify for free or reduced meals, a household has to fill out an application. Guidelines are set by the Federal Government, comparing the household's size to its income.

#### Full Time Equivalency (FTE)

Unit used to measure the hours in an employee's contract based on a 40-hour work week.

#### Fund

A fund is an independent fiscal and accounting entity with a self-balancing set of accounts for recording cash and other financial resources. It contains all related assets, liabilities and residual equities or balances, or changes therein. Funds are established to carry on specific activities or attain certain objectives of the school district according to special legislation, regulations, or other restrictions.

#### **Fund Balance**

The difference between assets and liabilities reported in a governmental fund.

#### **Funded Pupil Count (FPC)**

A district's pupil count, for funding purposes, under the current school finance act, which provides for an October 1st enrollment count within a district's school year. The funded pupil count is expressed in full-time equivalent pupils. The funded pupil count is designed to reflect the amount of time a student spends in an instructional setting.

#### General Fund (GF)

General Fund is a fund to account for all financial resources, except those required to be accounted for in another fund.

#### Gifted and Talented (G/T)

Program for children between the ages of 5 and 21 whose abilities, talents, and potential for accomplishment are so outstanding that they require special provisions to meet their educational needs.

#### Grant

A financial award from a federal, state, or local government agency, or any private foundation, corporation, or organization, which is given for specific purposes or to which specific performance requirements exist and is generally solicited through a process of written application.

#### Levy

To impose taxes. The total of taxes imposed by a governmental unit.

#### Liabilities

Debt or other legal obligations arising out of transactions in the past which must be liquidated, renewed, or refunded at some future date.

#### Long-term Debt (LTD)

Debt with a maturity of more than one year after the date of issuance.

#### Mill

Local tax rates against property are always computed in mills. A mill is one one-thousandth of a dollar of taxable value. One mill produces \$1 in tax income for every \$1,000 of property (taxable value).

#### Mill Levy

The tax rate on real property per thousand dollars of assessed property value. One mill produces \$1 in tax income for every \$1,000 of assessed property value.

#### Mill Levy Override (MLO)

A ballot measure that asks voters living in a school district boundary to approve the collection of additional "mills" on property taxes, above what is allowed by the State of Colorado.

#### **National School Lunch Program (NSLP)**

A federally assisted meal program that reimburses schools to provide nutritionally balanced, low-cost or free lunches to children each school day.

#### **Object**

Describes the service or commodity obtained as the result of a specific expenditure.

#### **October Count**

The annual process the district undertakes to provide count and demographic data for pupils in membership within the district. The per-pupil funding that the district receives from the state is based upon this effort.

#### **PERA On-Behalf**

As a component of Senate Bill 18-200, the state is required to make a direct on-behalf payment of \$225.0 million to Colorado PERA each year. The payment is allocated based on the proportionate amount of annual payroll to the School Division Trust Fund, State Division Trust Fund, Judicial Division Trust Fund, and Denver Public Schools Division Trust Fund.

#### Per Pupil Operating Revenue (PPOR)

The General Fund's per pupil revenue (PPR), less the Board of Education required allocation per student to the Risk Management and Capital Reservice Funds.

#### Per Pupil Revenue (PPR)

The equalization funding of a district for any budget year, determined in accordance with the provisions of the Public School Finance Act of 1994, as amended, divided by the funded pupil count of the district for said budget year.

#### **Post-secondary Students**

Students enrolled in the District after 12<sup>th</sup> grade while concurrently in higher education courses.

#### **Property Tax**

The general property tax is levied on land and buildings located within the school district. It is essentially a real estate or real property tax. Every owner of private and business property in the district pays this tax, unless exempt (e.g., governmental, charitable, and religious institutions).

#### Pathways in Technology Early College High School (P-TECH)

A program offered in select District high schools that allows students to earn a high school diploma, as well as an Associate degree at no cost to the student. The program includes significant internship and mentorship opportunities alongside industry partners. Students enroll in 9<sup>th</sup> grade and complete the program in 4-6 years.

#### Pathways to Teaching (P-TEACH)

A program that introduces St. Vrain high school students to a career as an educator by offering a variety of concurrent enrollment courses through the University of Colorado Denver.

#### Public Employees Retirement Association (PERA)

A retirement association created by C.R.S. 24-51-201. The purpose of PERA is to provide benefits to public employees when they retire or are disabled, or to the family at the employee's death. It serves as a substitute for social security and is funded on an actuarial reserve basis.

#### **Purchased Services**

Personal services rendered by personnel who are not on the payroll of the district, and other services which may be purchased by the district.

#### Revenues

Funds received, generally from taxes or from a state or federal funding program, which are not loans, and which do not cause an increase in a liability account.

#### **School Breakfast Program**

A federally administered program that provides reimbursement to states to operate nonprofit breakfast programs in schools.

#### **School Finance Act**

The Public School Finance Act of 1994 (as amended) outlines a Total Program Funding formula that determines how Colorado's 178 school districts are funded. Total Program Funding includes a base amount, which is the same for all school districts, plus additional amounts called factors. Factors vary by district and compensate for financial differences among districts, such as cost of living, size of the district, at-risk student population, and personnel costs.

#### Specific Ownership Tax (SOT)

An annual tax imposed upon each taxable item of certain classified personal property, such as motor vehicles, which tax is computed in accordance with state schedules applicable to each sale of personal property.

#### St. Vrain Valley Education Association (SVVEA)

A professional and advocacy organization whose mission is to advocate for public educators, support professionalism, and promote public education.

#### STEM

A teaching approach that combines science, technology, engineering and math.

#### Supplemental Nutrition Assistance Program (SNAP)

Formerly known as the Food Stamp program, the federal program provides food-purchasing assistance for low-income people to maintain adequate nutrition and health.

#### **TABOR Reserve**

A requirement under Article X, Section 20 of the Colorado Constitution that the district establish a reserve of 3 percent of its fiscal year spending, excluding bonded debt services, for emergencies.

#### **Teacher Recruitment Education and Preparation (TREP)**

Program that allows qualifying students in a career pathway to concurrently enroll in postsecondary courses and earn college credit at no tuition cost to them or their families, for up to two years after 12<sup>th</sup> grade.

#### Temporary Assistance for Needy Families (TANF)

A time-limited program that provides cash assistance to low-income families to cover basic needs like food and clothing, while also providing education and job training to help them become self-sufficient.

#### **Total Program Funding**

The financial base of support for public education for school districts as calculated by the Public School Finance Act of 1994, as amended. This funding consists of property tax, specified ownership tax and state equalization, the state's portion of funding.

#### **Universal Preschool Program**

A State funded program to offer voluntary, high-quality universal preschool to every Colorado child in the year before kindergarten.

#### **MEMORANDUM**

DATE: May 22, 2024

TO: Board of Education

FROM: Dr. Don Haddad, Superintendent of Schools

SUBJECT: District Financial Statements – April 2024

Strategic Priority – Strong District Finances

# <u>PURPOSE</u>

To provide the Board of Education with monthly financial reports.

# **BACKGROUND**

Colorado Revised Statute (C.R.S.) 22-45-102(1)(b)(I-IV) requires the Board of Education to review the financial condition of the school district at least quarterly during the year. In addition to first and second quarter reports, the District has elected to present monthly financial statements during the remainder of the year.

At the study session prior to this Board meeting, information related to the April 2024 monthly financial statements will be provided to the Board in compliance with all aspects of Colorado Revised Statutes.

# April 2024 Monthly Financial Report

"We are providing current and future generations a strong competitive advantage so that all students can achieve success in a globalized world."

Don Haddad, Ed.D., Superintendent

Prepared by Financial Services

St. Vrain Valley School District RE-1J 395 South Pratt Parkway • Longmont CO • 80501-6436 www.svvsd.org

# St. Vrain Valley School District RE-1J Financial Executive Summary

For the period July 1, 2023 to April 30, 2024

Note: The detailed financial statements are an integral part of this summary.

Fund	Page	B/S	A2A	B2A	Notes
Governmental Funds in	cluding	General Fu	ınd, Majoı	r & Non-N	Najor Funds & Special Revenue Funds
General Fund	6 7 — 8-9				CY "cash & invest" is 33% of total assets compared to PY's 40%, partly driven by the 23% CY increase in "taxes rcv".  CY "taxes rcv, unearned rev" ~\$32m increase due to increase in overall net AV and increased dependency on local share.  CY "acc'd sal/bene" & "payroll w/hold" \$3.4m increase due to increased salaries/benefits as well as FTE.  CY "prop tax" "SOT" & "MLO" \$15m increase due to increased net AV & increased local share and timing of collections.  CY "invest income" outpaced PY by \$2.1m due to improved rates.  CY "chgs for svc" \$1.1m decrease due to decreased PreK tuition as a result of the new Universal PreK state-funded program (~\$5.4m).  CY various state revenue increases due to increased funding.  CY "BABs", "fed relief" & "oth fed'l" decreases due to timing, sunsetting.  CY "sul/bene" \$30.6m increase due to increased wages/benefits, FTE.  CY "purch svc" \$1.8m increase due to increased in SROs, tuition.  CY "supplies" \$3.6m increase due to curriculum, tech purchases.  CY "charter schools" \$3.9m increase due to increased PPR, pass-thrus.  CY changes in capital outlay, debt service, & financing arrangements due to technology arrangements (e.g. iPads) & timing of payments.  Based on passage of time, 83% through the fiscal year.
					based on passage of time, 65% through the fiscal year.
Colo Preschool	10-11	n/a	n/a		\$170k budgeted exp available/remaining for preschool improvements.
Risk Management	13-15	n/a			CY "purch svc" increase includes environmental/safety cleaning services and increased (up-front) insurance premiums.
Bond Redemption	18-19	n/a	n/a		CY partial defeasance of 2016C Series gen'l oblig bonds. CY "prop tax" \$4.9m increase from PY due to increased net AV.
Building	20-21	n/a	n/a		Total expenditures are 92% of budget as bond proceeds are spent down.
Capital Reserve	23-25	n/a			CY "chgs for svc" include PreK improvements funded by CPP & General Funds.
Comm Education	27-29	n/a			CY Child Care Development Block grant in C/S Central Office of revenues up to allowable exp thru Sept 30, 2023. Another \$140k approved!
Fair Contributions	30-31	n/a	n/a		PY \$1.9m "capital outlay" included land purchase in Frederick, partially paid by Fair Contributions.
Grants	33-35	n/a			CY expenditures at 64% of budget compared to PY at 67% of budget.
Nutrition Services	36-39				CY state funded Healthy Meals for All increases grants receivable (for Mar and Apr claims); decreases chgs for svc and cash & investment balances.
Student Activity (23)	41-43	n/a			CY increased pupil activity expenditures due to increased 'student store' supplies, purchases of device cases & accessories, and yearbooks.
Proprietary Fund, the D	istrict's	only interi	nal service	fund	
Self Insurance	46-49				Overall, revenues and expenses are reasonably within CY budget, in spite of large claims.
Other financial informa	tion				
Investments	51		n/a	n/a	CY interest rate is 5.4281% compared to PY's 5.0273% !!
LEGENDS:  To be reviewed w/ BOE  Non-talking point				<u> </u>	No issues or concerns; operating w/in expectations  Matters of slight concern; monitoring closely  Major issue or concern; requires immediate attention or action

# **FUND ACCOUNTING**

The District uses funds to report its financial position and changes in financial position. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions related to certain government functions or activities. A fund is a separate accounting entity with a self-balancing set of accounts.

Funds are classified into three categories: governmental, proprietary, and fiduciary. Each category, in turn, is divided into separate "fund types".

Governmental funds are used to account for all or most of a government's general activities, including the servicing of long-term debt (debt service fund), the construction of new schools or renovation of existing buildings (capital projects funds), and the collection and disbursement of earmarked funds (special revenue funds). The District's governmental funds consist of the following: General Fund; Colorado Preschool Program Fund and Risk Management Fund, both sub-funds of the General Fund; Bond Redemption Fund; Building Fund; Capital Reserve Capital Projects Fund; and five special revenue funds, including the Government Designated-Purpose Grants Fund.

<u>Proprietary Funds</u> focus on the determination of the changes in net assets, financial position, and cash flows and are classified as either enterprise or internal service. Enterprise funds may be used to account for any activity for which a fee is charged to external users for goods or services. The District does not have an enterprise fund. Internal service funds account for the financing of services provided by one department to other departments of the District on a cost reimbursement basis. The District's only internal service fund is the *Self Insurance Fund*.

<u>Fiduciary Funds'</u> reporting focuses on net assets and changes in net assets. The fiduciary fund category is split into four classifications: pension trust funds, investment trust funds, private-purpose trust funds, and agency funds. The District has no fiduciary funds.

# **GOVERNMENTAL FUNDS**

#### **General Fund**

The General Fund is the District's general operating fund and is used to account for all financial transactions except those required to be accounted for in another fund. Major revenue sources include local property taxes, specific ownership taxes, and State of Colorado equalization funding, as determined by the School Finance Act of 1994, as amended. Expenditures include all costs associated with the daily operation of the schools, except for programs funded by grants from federal and state governments, school construction, certain capital outlay expenditures, debt service, food service operations, extracurricular athletic and other pupil activities, and insurance transactions.

The Colorado Preschool Program Fund (CPP) was a state-funded early childhood education program administered by the Colorado Department of Education. CPP sunset at the end of the fiscal year 2022-23; any remaining CPP funds are to be spent by June 30, 2024 for the benefit of preschool students. CPP is reported as a sub-fund of the General Fund. The passage of HB22-1295 established the Department of Early Childhood and the Universal Preschool Program (UPK). Universal Preschool Colorado ensures that every child in the year before they are eligible for kindergarten is eligible for up to half-day (15 hours) of state-funded, voluntary preschool beginning in the 2023-24 school year. UPK is reported within the General Fund, effective July 1, 2023.

The *Risk Management Fund* is also a sub-fund of the *General Fund*. Moneys allocated to this fund from the *General Fund* are used to account for the payment of loss or damage to the property of the District, workers' compensation, property and liability claims, and the payment of related administration expenses.

## Footnote

- A On January 1, when property taxes are levied, the District records property taxes receivable and a corresponding deferred revenue. As taxes are collected, the District reduces the receivable and deferred revenue and records the tax revenue.
- B The District is accruing salaries and benefits of employees whose contracts run from Aug 1 to Jul 31. The accrual rate is 1/11 of the contract amount per month. As of June 30, the District will have accrued the full amount of salaries and benefits payable.

#### **GOVERNMENTAL FUNDS**

#### **Major Governmental Funds**

The Bond Redemption Fund is a debt service fund. It is used to account for the accumulation of resources for, and the payment of, general long-term debt principal and interest. The fund's primary revenue source is local property taxes levied specifically for debt service.

The *Building Fund* is a capital projects fund that is used to account for the proceeds of bond sales and expenditures for capital outlay for land, buildings, improvements of grounds, construction of buildings, additions or remodeling of buildings or initial, additional and replacement of equipment.

#### **Nonmajor Governmental Fund**

The Capital Reserve Capital Projects Fund is used to account for revenue allocations from the General Fund and other revenues allocated to or earned in this fund, and the expenditures for the ongoing capital needs of the District, such as acquisition of land, building additions and improvements, and equipment purchases where the estimated unit cost is in excess of \$1,000.

#### **GOVERNMENTAL FUNDS**

#### **Special Revenue Funds**

The Community Education Fund is used to record the tuition-based activities including summer school, Pre-K child care, K-5 child care, and enrichment, as well as facility use rental income and community grants and awards.

In accordance with intergovernmental agreements, the *Fair Contributions Fund* is used to collect money for the acquisition, development, or expansion of public school sites based on impacts created by residential subdivisions.

The Governmental Designated-Purpose Grants Fund is used to account for restricted state and federal grants including, but not limited to, Title I Part A – Improving the Academic Achievement of the Disadvantaged – and Individuals with Disabilities Education Act (IDEA Part B).

The *Nutrition Services Fund* accounts for the food service operations of the District. Nutrition Services provides quality, nutritious and well balanced meals to students throughout District schools.

The *Student Activity Fund* is used to record financial transactions related to school sponsored pupil intrascholastic and interscholastic athletic and other related activities. Revenues of this fund are primarily from student fees, gate receipts, and gifts.

#### PROPRIETARY FUNDS

#### **Internal Service Fund**

The District's only internal service fund is the *Self Insurance Fund* which accounts for the financial transactions related to the dental and healthcare plans. The fund collects premiums and pays claims for medical and dental plan benefits.

DATE: May 22, 2024

TO: Board of Education

FROM: Dr. Don Haddad, Superintendent of Schools

SUBJECT: Renaming of Purchasing Department

Strategic Priority – Student Achievement and Global Success/

Strong/Visionary Leadership

## PURPOSE

To provide the Board of Education with a report informing them of the renaming of the Purchasing Department to Procurement. This change reflects our commitment to aligning our department's terminology with industry standards and enhancing clarity in our operations. This change is not merely cosmetic but signifies a strategic shift in our approach to acquiring goods and services for the school district.

The report below provides some background and outlines the rationale behind this renaming project and its potential impact on stakeholders and operational procedures

## **BACKGROUND**

The Purchasing, Finance, Legal, and Human Resources Departments have reviewed Board Policies and Job Descriptions as part of the renaming project. The terms 'Purchasing' and 'Procurement' are used interchangeably, despite there being distinct differences between the two. It's essential to standardize these terms and recognize these differences to ensure alignment with industry standards and optimize departmental functions.

Below is an overview of the rational and justification for the name change:

 Alignment with Industry Standards: The term "Procurement" is widely recognized and used in the field of supply chain management and business operations. It aligns more closely with contemporary best practices and reflects a holistic approach to acquiring goods and services. This name change will align our District with changes that have already been recognized in the Public Procurement profession and by other public agencies.

- 2. **Broader Scope of Responsibilities:** "Procurement" encompasses a wider range of activities beyond simple transactions, including strategic sourcing, vendor selection, negotiation, contract management, and risk mitigation. This name change reflects our department's expanded responsibilities and multifaceted role within the District.
- 3. **Enhanced Perception and Credibility:** Adopting the term "Procurement" elevates the importance and professionalism of our department within the organization and among internal and external stakeholders. It communicates a strategic, forward-thinking approach to acquiring good and services.
- 4. **Support for Strategic Initiatives:** Renaming our department to "Procurement" signifies our commitment to embracing innovative procurement strategies, leveraging technology, promoting sustainability, and fostering collaboration. This change underscores the department's dedication to supporting the district's broader strategic goals and objectives.
- 5. **Enhanced Collaboration and Communication:** The term "Procurement" is more universally understood, facilitating clearer communication and collaboration with stakeholders both within and outside the District.

TO: Board of Education

FROM: Dr. Don Haddad, Superintendent of Schools

SUBJECT: Approval of the School to Work Alliance Program Contract

Strategic Priority – Portfolio of 21st-Century Instructional Focus Schools

and Robust Co-Curricular Opportunities

### RECOMMENDATION

That the Board of Education approve the contract with the Colorado Department of Education to support funding for the School to Work Alliance Program (SWAP).

## **BACKGROUND**

SWAP is a partnership between the St. Vrain Valley Schools, the Colorado Department of Education, Department of Human Services, and Division of Vocational Rehabilitation. This program supports the development of job seeking, work skills, and employment for students with disabilities ages 15 through 21.

St. Vrain Valley Schools has participated in SWAP for the past 24 years, and has one of the highest closure rates for students seeking, securing, and maintaining employment for students with disabilities in the state. A program coordinator and three specialists are supported through this grant funding. The program is supported and implemented through grant funds only. This year, the contract will be sent electronically April 29th-May 20.

DATE: May 22, 2024

TO: Board of Education

FROM: Dr. Don Haddad, Superintendent of Schools

SUBJECT: Approval of Contract Award for Rocky Mountain Elementary School

Marquee Sign Project

Strategic Priority – Cutting-Edge Technology and Innovation

## RECOMMENDATION

That the Board of Education approve the execution of a formal agreement with Signdealz Corporation for a maximum amount of \$120,000 and an initial contract award of \$104,437 for the Marquee Sign Project at Rocky Mountain Elementary School. Further, to authorize Brian Lamer, Assistant Superintendent of Operations, to sign contract documents and initiate scope changes up to the approved amounts in accordance with Board of Education policy.

## **BACKGROUND**

The project is to furnish and install a new marquee sign at the main entrance drive to Rocky Mountain Elementary School. The scope includes power and data, sign foundation and masonry pedestal, as well as the sign electronics and graphics.

Signdealz Corporation was selected for this project through the RFP process.

The RFP review committee reviewed responses to RFP No. 2024-050 – Marquee Signs (3) – Purchase, Delivery & Installation. Signdealz Corporation was selected as the most qualified for this project based on the scoring that evaluated cost, schedule, proposed product, team and company qualification, references, etc.

The budget for this project has been established at \$120,000. Funding for the project is available from Capital Reserve funds. This item is being brought forth to comply with Board policy FEG stating any items over \$100,000 must have Board approval.

DATE: May 22, 2024

TO: Board of Education

FROM: Dr. Don Haddad, Superintendent of Schools

SUBJECT: Approval of the Addendum to the Intergovernmental Agreement (IGA)

Concerning Fair Contributions for Public School Sites with the Town of

Firestone

Strategic Priority - Outstanding Communication and Collaboration with

Community and Corporate Partners

## **RECOMMENDATION**

That the Board of Education approve the Addendum to the IGA with the Town of Firestone, and further, authorize the Board President to sign the Addendum to the IGA.

## **BACKGROUND**

The current IGA with the Town of Firestone (Town) was signed and approved by the St. Vrain Valley School District RE-1J (SVVSD) Board in October of 2018. The 2018 IGA provides a methodology that requires the dedication of land or cash-in-lieu of land for the future acquisition and development of school sites based on housing type, district acreage requirements for schools, and anticipated student yield. These funds are paid directly to SVVSD, by residential developers, authorized by Town Land Use Code requirements and must be spent on land, or land development activities tied to student growth in the impacted region.

The Addendum to the IGA, attached for SVVSD Board action, is intended to extend the time limit for funds expenditure set forth in the initial IGA. The Addendum also clarifies how the Town and SVVSD can assist each other in funding capital improvement projects that directly benefit SVVSD students and the community. The Addendum to the IGA specifically addresses the following four points:

Extend the time limits for funds previously collected through 2029. This extension
has been requested by SVVSD to allow continued negotiations with the Barefoot
Lake's developer on a future school site acquisition/dedication which will likely be
presented to the SVVSD Board of Education in 2026 or 2027.

- 2. Allows SVVSD to spend \$50,000, of previously collected funds, for a bus parking expansion project at SVVSD's East Transportation Terminal some time in 2024/2025.
- 3. SVVSD will provide the Town \$200,000, of previously collected funds, to improve safe pedestrian crosswalks in the Centennial Elementary School/Neighbors Point Park region of the Town. This project will be managed by the town and the funds provided are only a portion of a larger project.
- 4. Agrees that the Town and SVVSD will work together towards a potential conveyance of a small piece of property along the southeast corner of Centennial Elementary (along the school's access road – see attached map) for the Town's construction of a parking lot for joint use by Centennial Elementary and the users of Neighbors Point Park.

The Town signed the Addendum to the IGA, along with the corresponding resolution to approve the Addendum, on May 8, 2024 (attached).

## **ATTACHMENTS**:

- 1. Addendum to the IGA
- 2. Town of Firestone Resolution
- 3. Map of Centennial Elementary School and possible future parking lot

# ADDENDUM TO INTERGOVERNMENTAL AGREEMENT BETWEEN THE TOWN OF FIRESTONE AND THE ST.VRAIN VALLEY SCHOOL DISTRICT RE-1J CONCERNING FAIR CONTRIBUTIONS FOR PUBLIC SCHOOL SITES

This Addendum to the Intergovernmental Agreement between the Town of Firestone and the St. Vrain Valley School District RE-1J Concerning Fair Contributions for Public School Sites ("Addendum") is made this day of May, 2024, by and between the **Town of Firestone**, a Colorado municipal corporation ("Town") and the **St. Vrain Valley School District RE-1J**, a Colorado public school district and political subdivision of the State of Colorado ("District"). The Town and the District may be referred to herein individually as "Party" or collectively as "Parties."

#### RECITALS

The Town and the District are Parties to an Intergovernmental Agreement between the Town of Firestone and the St. Vrain Valley School District RE-1J Concerning Fair Contributions for Public School Sites dated October 10, 2018 (the "IGA").

The IGA was entered into pursuant to Section 22-54-102(3)(a), C.R.S., in order to clarify how the Parties could assist each other in the funding of the District's capital construction projects.

Per the terms of the IGA, the Parties agree that it is in the best interests of the citizens of the Town (who are also citizens of the District) to cooperate to ensure the adequate provision for Fair Contribution for Public School Sites within the Town, and the IGA was designed to set forth the terms, conditions, rights and obligations of each Party with respect to the planning, collection, and use of Fair Contribution for Public School Sites.

Per the terms of the IGA, funds received as Fair Contribution for Public School Sites are to be used for such purposes within fifteen years of collection unless the District has requested from the Town an extension, which extension may be granted by the Town for good cause shown.

Pursuant to Section 8.4 of the IGA, the District requested a five year extension of time to spend funds collected prior to 2013 to acquire a PK-8/middle school site within the Town.

The Parties seek to reaffirm their commitment to cooperate to ensure adequate provision for Fair Contribution for Public School Sites to serve the Town and its citizens, and seek to addend the IGA consistent with that commitment by extending the fifteen year period, as set forth herein.

NOW, THEREFORE, in consideration of the mutual promises and undertakings set forth herein, the receipt and sufficiency of which are hereby mutually acknowledged, the Parties agree to addend the IGA as follows:

- 1. Upon review of the District's request for an extension, the Town, upon good cause shown, agrees to extend the period of time by five years for the use of Fair Contribution for Public School Sites funds received prior to 2013 up through and 2029.
- 2. An amount of \$50,000 of such funds shall be used for a bus parking expansion of the District's East Transportation Terminal, scheduled for 2024/2025 and designed to address the additional buses needed due to increased enrollment in the region. The \$50,000 from such funds shall be only supplementing the project's overall costs.
- 3. The District shall provide the Town \$200,000 to improve safe pedestrian crosswalks in the Centennial Elementary/Neighbors Point Park region of the Town ("Crosswalk Project"). The Crosswalk Project improvements shall be identified by the Town and all construction, oversight, and ongoing maintenance of such improvements shall be the sole responsibility of the Town.
- 4. The Parties will work together towards the potential conveyance by the District to the Town of a portion of the Centennial Elementary property for the Town's construction of a parking lot for joint use by Centennial Elementary and users of Neighbors Point Park.
- 5. Except for as otherwise specified herein, the Parties recognize and reaffirm that the IGA and its provisions remain binding and in force.

Signed and dated as of the date indicated above.

#### **RESOLUTION NO. 24-54**

A RESOLUTION OF THE BOARD OF TRUSTEES OF THE TOWN OF FIRESTONE, COLORADO APPROVING AN ADDENDUM TO THE INTERGOVERNMENTAL AGREEMENT BETWEEN THE TOWN OF FIRESTONE AND THE ST. VRAIN VALLEY SCHOOL DISTRICT RE-1J CONCERNING FAIR CONTRIBUTIONS FOR PUBLIC SCHOOL SITES

WHEREAS, on October 10, 2018 the Town of Firestone ("Town") and the St. Vrain Valley School District RE- 1J ("District") entered into an Intergovernmental Agreement ("IGA") Concerning Fair Contributions For Public School Sites pursuant to C.R.S. 22-54-102 (3)(a); and

WHEREAS, the parties desire to approve an Addendum to the IGA which will grant the District an additional five years to expend funds received from the Town prior to 2013 thru 2029, designate \$50,000 of the funds for expansion of the District's East Transportation Terminal, authorize the Town to use \$200,000 of District funds to improve the crosswalks in the Centennial Elementary /Neighbors Point Park area and authorize the parties to collaborate regarding the District's potential conveyance of a portion of Centennial Elementary's property to the Town for its construction of a parking lot for use by Centennial Elementary and users of Neighbors Point Park; and

WHEREAS, the parties find that the terms and conditions of the Addendum benefit both parties and serve the purposes set forth in the Public School Finance Act of 1994 (C.R.S.24-54-102 et.seq.)

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF TRUSTEES OF THE TOWN OF FIRESTONE, COLORADO:

The Addendum to the Intergovernmental Agreement between the Town of Firestone and St. Vrain Valley School District RE-IJ concerning Fair Contributions for Public School Sites is approved in substantially the same form as the copy attached hereto and made a part of this resolution and the Mayor is authorized to execute the Addendum on behalf of the Town.

INTRODUCED, READ AND ADOPTED this that of May 2024.

# ADDENDUM TO INTERGOVERNMENTAL AGREEMENT BETWEEN THE TOWN OF FIRESTONE AND THE ST.VRAIN VALLEY SCHOOL DISTRICT RE-1J CONCERNING FAIR CONTRIBUTIONS FOR PUBLIC SCHOOL SITES

This Addendum to the Intergovernmental Agreement between the Town of Firestone and the St. Vrain Valley School District RE-1J Concerning Fair Contributions for Public School Sites ("Addendum") is made this day of May, 2024, by and between the **Town of Firestone**, a Colorado municipal corporation ("Town") and the **St. Vrain Valley School District RE-1J**, a Colorado public school district and political subdivision of the State of Colorado ("District"). The Town and the District may be referred to herein individually as "Party" or collectively as "Parties."

#### RECITALS

The Town and the District are Parties to an Intergovernmental Agreement between the Town of Firestone and the St. Vrain Valley School District RE-1J Concerning Fair Contributions for Public School Sites dated October 10, 2018 (the "IGA").

The IGA was entered into pursuant to Section 22-54-102(3)(a), C.R.S., in order to clarify how the Parties could assist each other in the funding of the District's capital construction projects.

Per the terms of the IGA, the Parties agree that it is in the best interests of the citizens of the Town (who are also citizens of the District) to cooperate to ensure the adequate provision for Fair Contribution for Public School Sites within the Town, and the IGA was designed to set forth the terms, conditions, rights and obligations of each Party with respect to the planning, collection, and use of Fair Contribution for Public School Sites.

Per the terms of the IGA, funds received as Fair Contribution for Public School Sites are to be used for such purposes within fifteen years of collection unless the District has requested from the Town an extension, which extension may be granted by the Town for good cause shown.

Pursuant to Section 8.4 of the IGA, the District requested a five year extension of time to spend funds collected prior to 2013 to acquire a PK-8/middle school site within the Town.

The Parties seek to reaffirm their commitment to cooperate to ensure adequate provision for Fair Contribution for Public School Sites to serve the Town and its citizens, and seek to addend the IGA consistent with that commitment by extending the fifteen year period, as set forth herein.

NOW, THEREFORE, in consideration of the mutual promises and undertakings set forth herein, the receipt and sufficiency of which are hereby mutually acknowledged, the Parties agree to addend the IGA as follows:

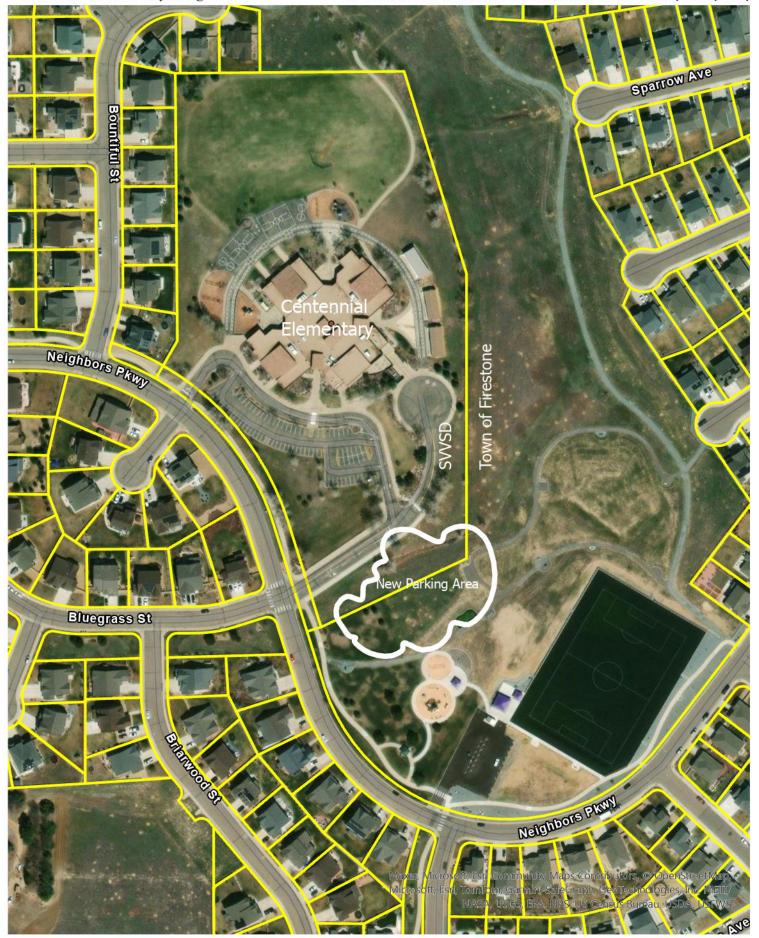

- 1. Upon review of the District's request for an extension, the Town, upon good cause shown, agrees to extend the period of time by five years for the use of Fair Contribution for Public School Sites funds received prior to 2013 up through and 2029.
- 2. An amount of \$50,000 of such funds shall be used for a bus parking expansion of the District's East Transportation Terminal, scheduled for 2024/2025 and designed to address the additional buses needed due to increased enrollment in the region. The \$50,000 from such funds shall be only supplementing the project's overall costs.
- 3. The District shall provide the Town \$200,000 to improve safe pedestrian crosswalks in the Centennial Elementary/Neighbors Point Park region of the Town ("Crosswalk Project"). The Crosswalk Project improvements shall be identified by the Town and all construction, oversight, and ongoing maintenance of such improvements shall be the sole responsibility of the Town.
- 4. The Parties will work together towards the potential conveyance by the District to the Town of a portion of the Centennial Elementary property for the Town's construction of a parking lot for joint use by Centennial Elementary and users of Neighbors Point Park.
- 5. Except for as otherwise specified herein, the Parties recognize and reaffirm that the IGA and its provisions remain binding and in force.

Signed and dated as of the date indicated above.

Firestone Addendum: Centennial Elementary Property

DATE: May 22, 2024

TO: Board of Education

FROM: Dr. Don Haddad, Superintendent of Schools

SUBJECT: Approval of Second Reading and Adoption of Board Policy KEC (Public

Concerns/Complaints about Instructional Resources)
Strategic Priority - High-Functioning School Board

## **RECOMMENDATION**

For the Board of Education to approve a second reading and adoption to Board Policy KEC (Public Concerns/Complaints about Instructional Resources).

## **BACKGROUND**

Revisions have been made to the Board Policy to include new language. The Board approved the accompanying Exhibit KEC-E and Board Regulation KEC-R (Procedures for Public Concerns/Complaints about Instructional Materials) at a previous board meeting and do not require a second reading.

File: KEC

## **Public Concerns/Complaints about Instructional Resources**

The Board has approved principles governing the selection of all instructional materials including library books and has established policies pertaining to the selection process. However, the Board wishes to amplify its principles on the selection of books and other materials which present controversial topics or which for other reasons might be challenged.

Material that is challenged usually belongs to one of the three basic categories: religion, ideology or profanity/obscenity. Board policies regarding these areas shall be as follows:

- 1. Religion–Factual, unbiased material on all major religions has a place in school libraries.
- 2. Ideologies—Libraries should, with no thought toward swaying reader judgment, make available a balanced collection of primary and factual material on the level of their students on various ideologies or philosophies which exert or have exerted a strong force, either favorably or unfavorably, in government, current events, politics, education and other phases of life.
- Profanity/obscenity-Materials shall be subjected to a test of literary merit by media specialists and teachers who will take into consideration the maturity of students and the standards of the community.

Criticism of a book or other materials used in the schools may be expected from time to time. In such instances:

- 1. The Board recognizes that it is accountable to the public and that it is the right of an individual parent/guardian to request that his/her\_their child not read a given book. When such a request is presented, the teacher and/or school administrator should resolve the situation by arranging for use of alternative materials meeting essentially the same instructional purpose. This does not apply, however, to basic program texts and materials that the Board has adopted.
- 2. The Board shall not permit any individual or group to exercise censorship over instructional materials and library collections but recognizes that at times a reevaluation of certain materials may be desirable. Should an individual or group any district student, parent/guardian of a district student, district teacher or district administrator ask to have any book or other material withdrawn from school use:
  - a. The person who objects to the book or other material shall be asked to sign a complaint on a standard form, KEC-E, on which that person will document the criticism.
  - b. Following receipt of the formal complaint, the superintendent or designee shall provide for a reevaluation of the material in question.

File: KEC

c. The reevaluation shall be based on the points offered above as well as the principles governing the selection of all instructional materials. Additionally, the Board wishes to emphasize that:

- (1) A book shall not be excluded because of the writer's race or nationality or political or religious views.
- (2) The value of any book or other material shall be judged as a whole, taking into account the purpose of the material rather than individual, isolated expressions or incidents in the work.
- d. The superintendent or designee shall review the complaint and reevaluation and shall render a decision in the matter. Should the solution be unsatisfactory, the complainant may appeal the decision to the Board.

In summary, the Board assumes final responsibility for all books and instructional materials it makes available to students. It holds its professional staff accountable for their proper selection. It recognizes the rights of individual parents/guardians with respect to controversial materials used by their own children. It will provide for the reevaluation of materials in library collections upon formal request.

TO: Board of Education

FROM: Dr. Don Haddad, Superintendent of Schools

SUBJECT: Approval of Vendors for the Purchase of Surplus Technology Products

Strategic Priority- Strong District Finances/Cutting-Edge Technology and

Innovation

#### RECOMMENDATION

That the Board of Education approve the following pre-qualified vendors to purchase surplus technology products over \$100,000 during Fiscal Year 2025.

Vendor Name	Pricing Method	FY21-FY24 Total Purchases
Diamond Assets, LLC.	RFP	New
Imann International, Inc	RFP	New
Second Life Mac	RFP	\$2,592,000
Synetic Technologies	RFP	New
Total Technology Results (DBA, Cal State Electronics)	RFP	\$990,000
Vantage Point ITAD, Inc.	RFP	New

#### BACKGROUND

The Purchasing Department and District Technology Services (DTS) issued Request for Qualifications (RFQ) 2024-041, Surplus Technology Buyback Providers on February 7, 2024. Thirteen (13) responses were received on February 28, 2024. Responses were evaluated based on each vendor's expertise such as years of operation, project team, proposed services and industry certifications for data sanitation and recycling (zero waste). Reference and financial background checks were also performed.

As a result of this extensive process, these six (6) firms were selected as pre-qualified vendors and eligible to submit Request for Proposals (RFP) for the purchase of the District's surplus technology products. Qualified vendors from this list will have the opportunity to bid on the surplus of iPads from the upcoming refresh of student and teacher devices as well as future lots of surplus technology. In each purchase proposal, vendors will specify how their firm will provide for data sanitization and proper eWaste handling for each lot purchased.

Funds received from the sale of surplus devices are returned to the district general fund.
